

Your Employee Assistance and Mental Health Program

How it Works

Employees complete an online assessment in just a few minutes or call us and speak with a Homewood care representative to start their journey. We'll create a personalized care plan unique to each employee.

Mental Health Counselling

For all of life's challenges

Mental health counselling accessible in-person, by phone or by video.

- Burnout & Stress
- Depression
- Anxiety
- Life changes/transitions
- Relationship, Couples & Family
- Grief & Loss
- Addictions
- Workplace Issues & Anger
- Culture & Identity

Indigenous Support

Homewood is one of the largest EAP providers to Indigenous peoples in Canada.

Elder and Knowledge Keeper Access

- Homewood Health recognizes that each person has individual needs that may or may not be fulfilled through traditional methods of counselling.
- Clients may connect with their Elder/Traditional Healer outside of the EAP. Homewood Health offers a gift/honorarium to the identified Elder/Traditional Healer for a **maximum of six (6) sessions per year** as a thank you for providing this community-based option for guidance.
