

# Elder and Family Care

**Balancing career responsibilities with family responsibilities is the reality for most of us, and generally we manage just fine. However, if you take on the extra demands of caring for an elderly or ill relative, or find you are carrying a particularly heavy load, having a professional point you in the right direction may be all that you need to relieve your stress and anxieties.**

## **Be in control of your work-life responsibilities!**

- **Need to resolve an elderly loved one's housing problem?** We can do the research and work with you to develop a suitable plan.
- **Worried about your parents' future?** Our eldercare specialists will work with you to plan for a range of possibilities.
- **Coordinating distant care?** We will find the information you need, whether your loved one lives across the country or across the world.
- **Need palliative or respite care?** We can source appropriate, qualified care to help you out.
