

Registering for an Activity

1. Sign into your account and click on Register for Activities
2. Search for an activity in the search field. You can use the “When, Where, Who, Activities and Open Spots” filter just below the search field to refine your activity search. Be sure to click **Apply** once you have selected your filters

3. To view program details please click on the name of the activity
4. To enroll, click on the green **Enroll Now** button or click on the **heart** (♡) to add to your wish list. A **red heart** (♥) confirms that it has been added to your wish list

5. Select participant name from drop down menu and the applicable name will populate in the field.
 - a. Greyed out names signifies participant does not meet activity age requirements
6. Click **Add to cart** button or click on **Register another participant** to register a second person in the same activity
7. Follow system prompts to complete transaction
