Presentations to Community Groups

120+

Attendees

EMERGING THEMES

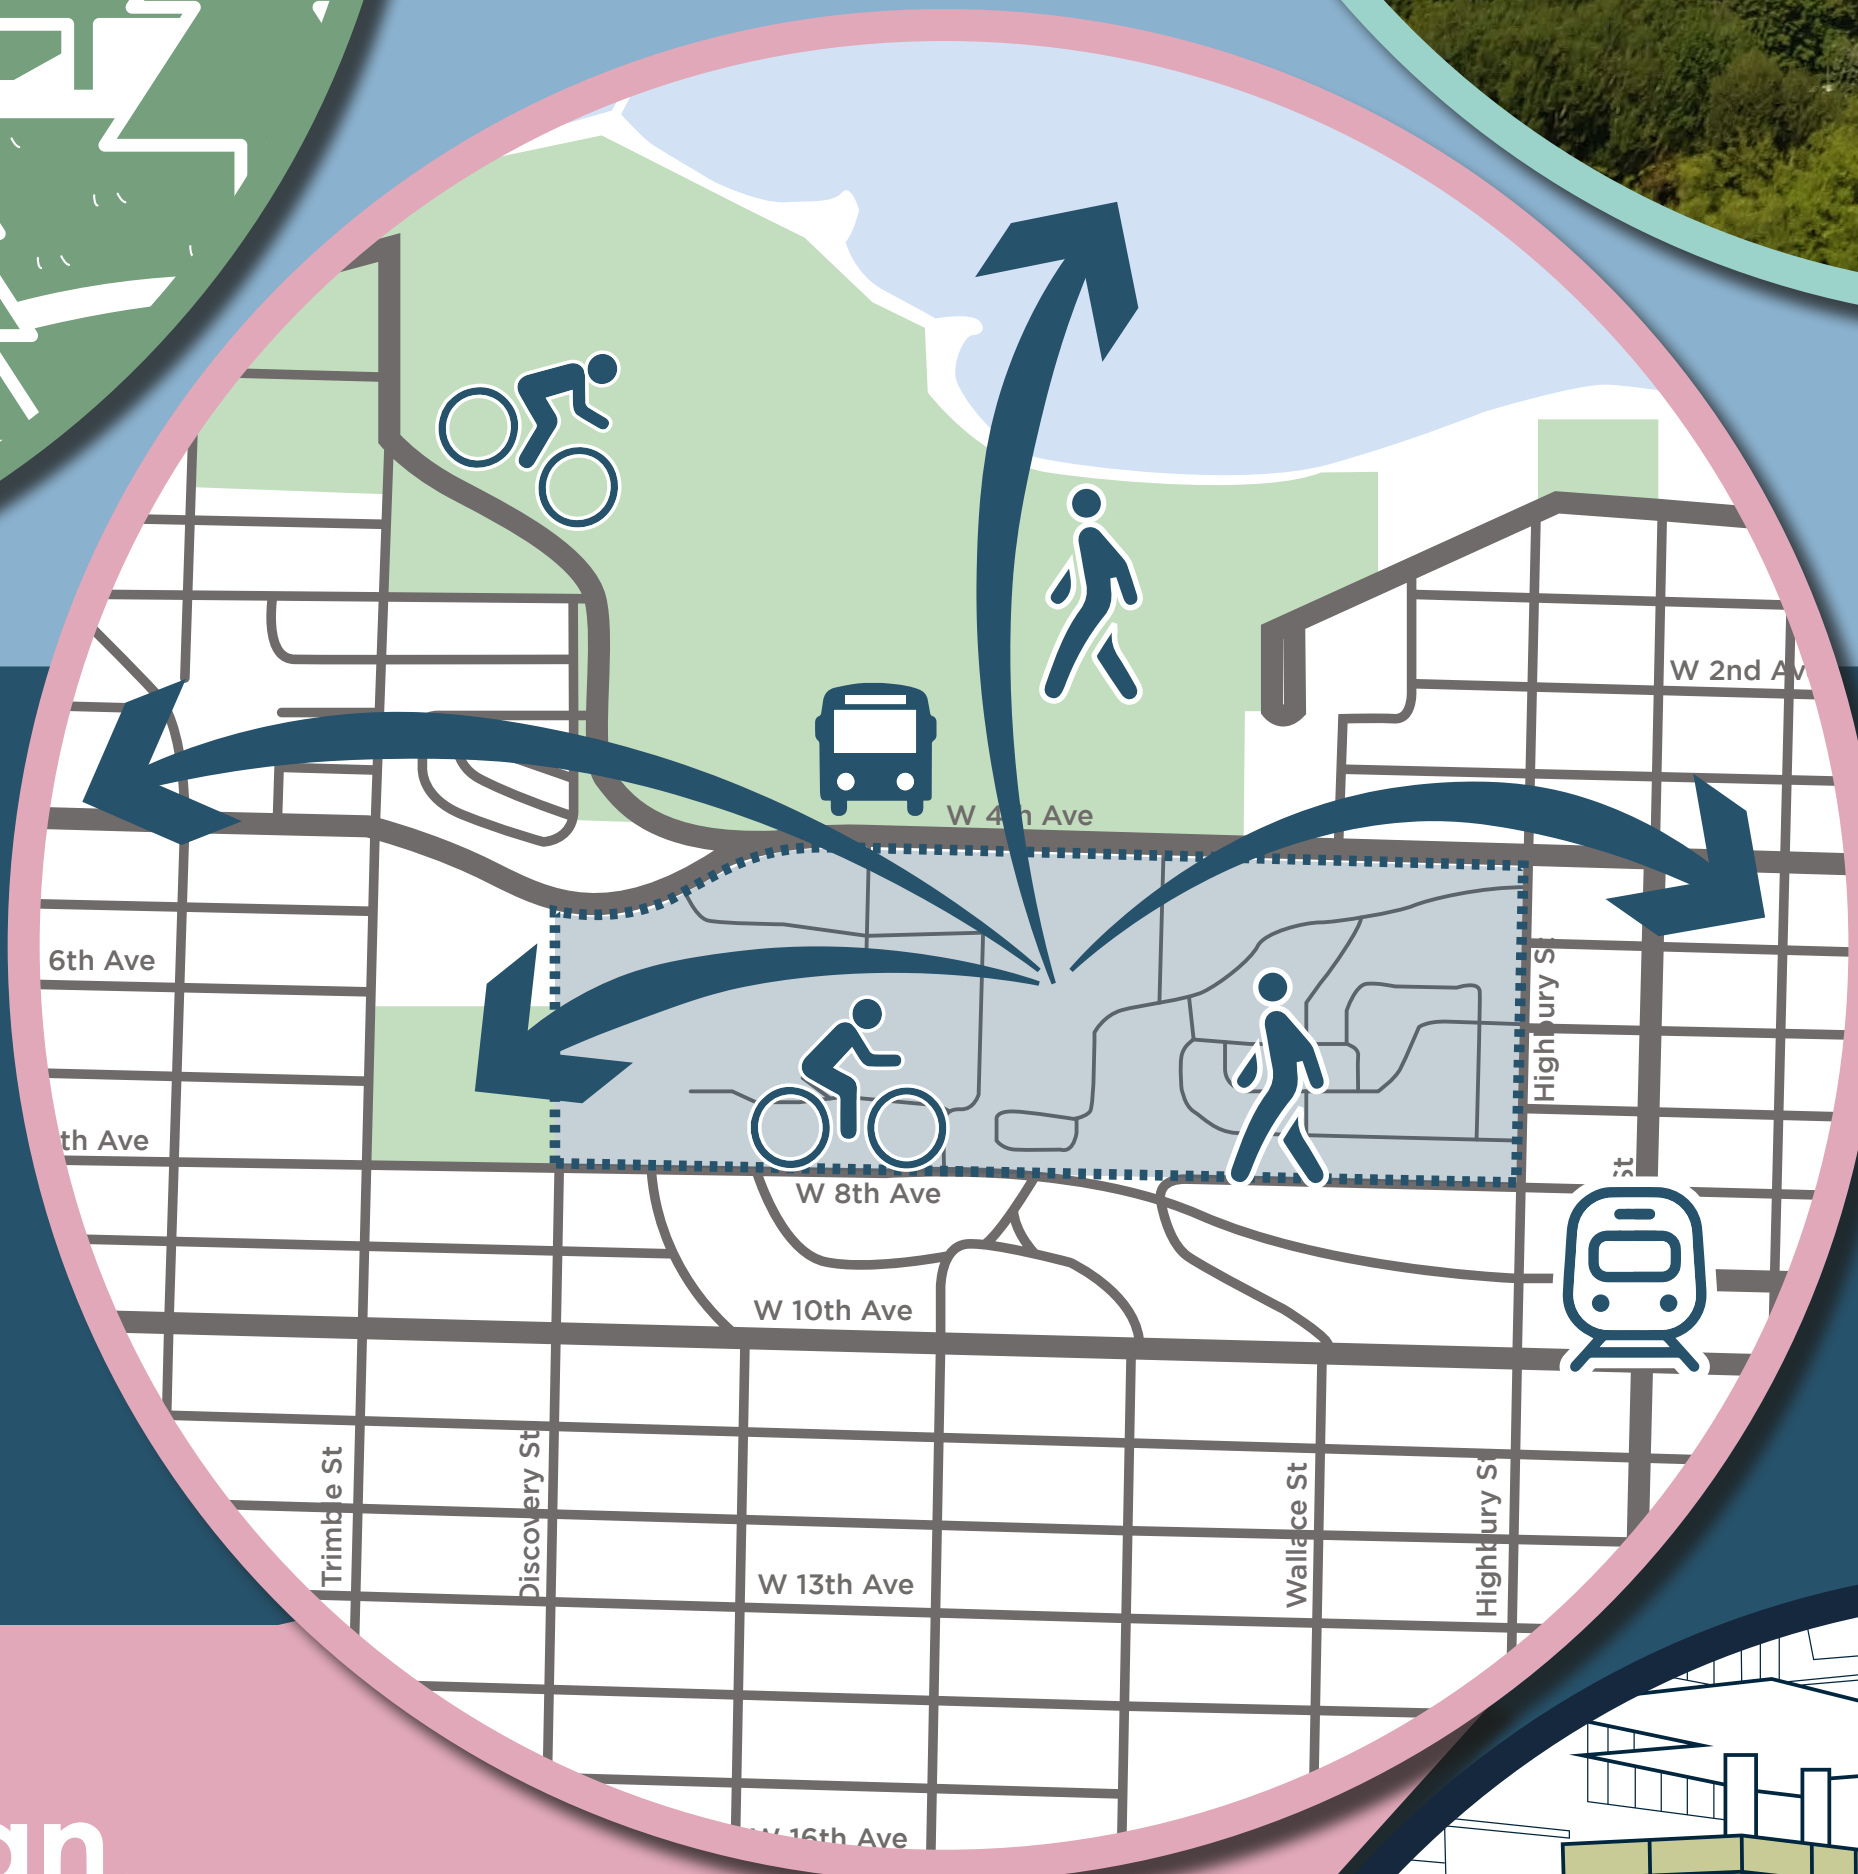

1

Importance of natural greenspaces, tree canopy, open spaces and parks

2

Public views of the ocean, North Shore mountains and downtown

3

Improved pedestrian, bicycle and transit connections to/through the site and better access to the ocean, adjacent parks and trails

5

Inclusion of a variety of housing forms and types, with strong support for more affordable options

4

Improved and/or new community amenities
