## 1. DEFINITIONS

The following terms defined in this clause unless otherwise specifically provided herein, shall have for the purposes of this agreement the meanings hereinafter specified and replace all existing definitions:

- (a) "Regular Full-Time Employee" means an employee who is employed on a full-time basis for 35, 37½, 40 or such other number of weekly hours as is recognized in this Agreement as normal for a particular class of positions, for an indefinite period of time.
- (b) "Temporary Full-Time Employee" means an employee who is employed on a full-time basis for 35, 37½, 40 or such other number of weekly hours as is recognized in this Agreement as normal for a particular class of positions, for a definite and limited period of time (which may be extended or curtailed by circumstances which could not be foreseen at the time of hiring).
- (c) "Regular Part-Time Employee" means an employee who is employed on a regular part-time schedule of core weekly hours which is a minimum of fifty percent (50%) of the recognized number of hours constituting full-time

Wherever the singular or masculine is used in this Agreement the same shall be deemed to include the plural or the feminine wherever the context so requires.

## 2. TERM OF THE AGREEMENT

This Agreement shall be for a term of four (4) years with effect from 2012 January 01 to 2015 December 31, both dates inclusive. Should either party at any time within four (4) months immediately preceding the date of expiry of this Agreement by written notice require the other party to commence collective bargaining, or should the parties be deemed to have given notice under Section 46 of the Labour Relations Code, this Agreement shall continue in full force and effect, and neither party shall make any change or alter the terms of this Agreement until:

- (a) the Union lawfully strikes in accordance with the provisions of the Labour Relations Code; or
- (b) the Employer lawfully locks out in accordance with the provisions of the Labour Relations Code; or
- (c) the parties shall have concluded a renewal or revision of this Agreement or shall have entered into a new Collective Agreement;

whichever occurs first.

## 3. UNION SECURITY

All present employees who are now members of the Union shall remain members of the Union. All persons employed on or after 1 January, 1974, shall become members of the Union by the pay period immediately following completion of thirty (30) calendar days of employment. All such employees shall remain members of the Union as a condition of employment provided that no employee shall be deprived of employment by reason of loss of membership in the Union for reasons

other than failure to pay the regular Union dues that all other members of the Union are required to pay to the Union.

All employees covered by the Union Certificate of Bargaining Authority shall pay a monthly fee to the Union equal to the Union's monthly dues, such payment to be made by payroll deduction. This deduction shall become effective immediately upon commencement of employment. Deductions shall be made in respect of all subsequent months provided an employee works any part of the month.

#### 4. RIGHTS OF MANAGEMENT

Any rights of management which are not specifically mentioned in this Agreement and are not contrary to its intention shall continue in full force and effect for the duration of this contract, always provided that in the exercise of the aforementioned management rights there shall be no discrimination.

#### 5. REMUNERATION

##### 5.1 Salary Schedule

- (a) The scale of remuneration set out in Schedule "A" and Schedule "A-1" shall apply during the term of this Agreement. Any changes in salary rates or the classifications as outlined in Schedule "A" and Schedule "A-1" shall not be put into effect until the Union Executive designate and the Bargaining Committee of the Union have been consulted.
- (b) Where anomalies as submitted during negotiations are not concluded to the satisfaction of both parties, then they will give consideration to the submitting of such anomalies to a Board of Arbitration as constituted under Clause 15.1(d).

- (b) If more than fifty percent (50%) of an employee's regular hour of work fall outside the period described in Clause 5.2(a), the shift premium shall be paid for all regular hours in the shift.

- (c) Shift premium shall not be paid for those hours worked at overtime rates, nor for standby.

### 5.3 Hiring Above First Step in the Salary Range

If a new employee is hired above the first step in the salary range and the Employer does not wish to adjust the salary for one or more present employees in the class who are in the same department (or in the same division in the case of the larger departments), the Employer will discuss the matter with the Union and, with the Union's consent, such adjustment or adjustments need not be made.

### 5.4 Effective Date for Individual Adjustments

Individual pay adjustments arising from periodic increments, reclassifications, re-evaluations and promotions (but not for acting in a higher capacity) are to commence at the beginning of the bi-weekly pay period the first day of which is nearest the calendar date of the pay adjustment. This clause is not intended to interfere with the provisions of Clause 6.

### 5.5 Derivation of Bi-weekly and Monthly Rates

The hourly rates set forth in Schedule "A" shall be the basis for application of any general salary increases. The formula for converting the hourly rates to bi-weekly and monthly rates is as follows:

$$\text{hourly} \quad \times \quad \frac{\text{bi-weekly}}{\text{hours}} \quad = \quad \text{bi-weekly rate (taken rate to 2 decimal places)}$$

### 5.6 Premium Pay for Fluency in a Second Language

Employees in positions which the Employer has designated as requiring the use of a second language, including sign language, shall be paid one (1) Pay Grade in addition to the classified rate for the position except where the class includes a requirement for more than one (1) language.

## 6. PAY FOR ACTING IN SENIOR CAPACITY

### (a) Full Acting Pay

On every occasion that an employee is temporarily required to accept the responsibilities and carry out the core duties of a senior position covered by this Agreement, the employee shall be paid for every day that the duties of the senior position are carried out at the minimum rate in the pay range for such senior position. However, where the salary received in the employee's own position is equal to, or exceeds the minimum of the senior position, the next higher rate in the pay range of the senior position shall be paid.

## (b) Partial Acting Pay

Where an employee is temporarily required to accept a portion, but not all, of the core duties and responsibilities of a senior position, the employee shall be paid two (2) pay steps above their rate of pay provided this does not result in a higher rate of pay than would have been paid for full acting. In such cases, the employee would be entitled to a rate of pay equivalent to full acting pay.

## (c) Pay for Partial Acting Assignments Exceeding Six Months

An employee who has been in a partial acting capacity for a period of six (6) months and whose assignment continues shall have their rate of pay adjusted to reflect the full acting rate for the position for the balance of the assignment and may be assigned any additional duties and responsibilities associated with the position.

## (d) Appointments of employees to a level of higher responsibility must be authorized in writing by the General Manager or designate.

7. TRANSPORTATION ALLOWANCE

Transportation for positions requiring the employee to travel on the Employer's business will be paid in the form of a transit fare or mileage allowance or use of an Employer's car as determined by the Employer.

If an employee is authorized by their non-bargaining unit manager or designate to use an alternative form of transportation, such as a bicycle, they shall be entitled to compensation equivalent to transit fare.

8. OVERTIME, CALLOUT, STANDBY AND MEAL BREAKS8.1 Overtime

- (a) Any employee who is required to work overtime shall at the time of working such overtime elect whether to be paid for it or receive compensating time off in lieu thereof.
- (b) Employees shall be entitled to overtime compensation for all overtime worked:
  - (1) immediately following the employee's regular shift;
  - (2) immediately preceding the employee's regular shift consequent upon an oral or written notice given prior to the end of the employee's previous shift;
  - (3) at any other time than at the times set forth in items (1) or (2) of this Clause 8.1(b) consequent upon an oral or written notice given prior to the end of the employee's previous shift.

- (c) Employees who elect to be paid for overtime worked shall be paid for the performance of overtime work scheduled by the Employer under Clause 8.1(b) at the following overtime rates:
- (1) time and one-half the regular rate of pay for the first two (2) hours of overtime worked immediately preceding or immediately following an employee's regular shift on any regular working day of the employee;
  - (2) double the regular rate of pay for all overtime in excess of the first two (2) hours thereof worked immediately preceding or immediately following an employee's regular shift on any regular working day of the employee;
  - (3) double the regular rate of pay for all overtime worked at any other time than at the times set forth in items (1) or (2) of this Clause 8.1(c). Employees shall be paid a minimum of one and one-half (1½) hours at double time for overtime worked pursuant to this paragraph (c)(3).
- (d) An employee who elects to receive compensating time off in lieu of being paid for overtime shall be credited with compensating time off equivalent to the number of hours for which the employee would have been paid for the overtime so worked. (Such overtime shall be calculated in the manner set forth in Clause 8.1(b) and 8.1(c).) An employee shall not take any compensating time off without first receiving the approval of the General Manager or designate; provided, however, that if all of the credited compensating time off has not been used by 31 August of the year next following the year in which the overtime was worked, or prior to leaving the service of the Employer for any reason (whichever event occurs first), the employee shall be paid in cash for the overtime for which no compensation was received at the rate or rates of pay in effect at the time such overtime was worked.

## 8.2 Callout

- (a) An employee who is called back to work by the Employer at any time after the completion of the regular shift, except where such employee is required to work overtime as a consequence of an oral or written notice given prior to the end of the employee's previous shift as provided in Clause 8.1(b), shall be paid at the rate of double (2X) the regular rate of pay for the time actually worked and in addition thereto one (1) hour at double (2X) the regular rate of pay for travelling time to and from home. Except as otherwise provided in Clause 8.2(b) an employee who is called back to work under this Clause 8.2 shall be paid a minimum of three (3) hours (the minimum includes one (1) hour for travelling time) at double (2X) the regular rate of pay.

- (b) If, after a callout, an additional call or calls are made upon the employee before the expiry of the minimum three (3) hour period or before arrival home, whichever shall last occur, the additional call or calls shall not qualify the employee for an additional minimum three (3) hour period or periods but the employee shall be paid at double (2X) the regular rate of pay for the time actually worked and an additional one (1) hour at double (2X) the regular rate of pay for travelling time to and from home. When two (2) separate calls are completed by an employee within a three (3) hour period the employee shall be paid at double (2X) the regular rate of pay for a minimum of four (4) hours (the minimum includes two (2) hours for travelling time).
- (c) Notwithstanding the callout minimum, an employee who is at the work place prior to the commencement of the employee's regular shift and who is required to commence work prior to the commencement of the employee's regular shift, shall be paid in accordance with the overtime provisions for the actual time worked prior to the commencement of the employee's regular shift.
- (d) When an employee is contacted for assistance and is able to resolve the problem over the telephone (or by computer) and does not have to report to a worksite, the employee shall be paid double the employee's regular rate of pay for the actual time worked, with a minimum of one (1) hour. Any subsequent contacts that occur within one (1) hour of the first call shall not result in any additional payments. A telephone call that occurs after the one (1) hour period shall result in another one (1) hour payment at double the employee's regular rate of pay. An employee will not be eligible for this form of callout should a return to the worksite (Callout, Clause 8.2(a) above) result from the issue being discussed.

### 8.3 Standby

- (a) Employees who stand by for a call to work between the end of a normal day shift on the first day of work in a normal work week as defined in Clause 11.1 (excluding public holidays) and the commencement of a normal day shift on the last day of work in the normal work week shall be paid one (1) hour's pay at the employee's regular rate of pay for each period of eight (8) hours that the employee stands by, in addition to any callout pay to which there may be entitlement under Clause 8.2.
- (b) Employees who stand by for a call to work at any time except employees who stand by for a call to work under Clause 8.3(a) shall be paid one (1) hour's pay at the employee's regular rate of pay for each period of six (6) hours that the employee stands by in addition to any callout pay to which there may be entitlement under Clause 8.2.
- (c) Where the period of time which an employee stands by under this Clause 8.3 exceeds a multiple of six (6) hours or eight (8) hours (as the case may be) the employee shall be paid one (1) hour's pay at the rate provided in this Clause for the remainder of the standby time unless the remainder is not more than one-half ( $\frac{1}{2}$ ) of the standby period of six (6) hours or eight (8)

hours (as the case may be) in which event the amount payable to the employee for the remainder shall be one-half ( $\frac{1}{2}$ ) hour's pay at the rate provided in this Clause 8.3.

#### 8.4 Meal Breaks

(a) Employees shall receive meal provisions as follows:

(1) During Overtime

Upon completion of two (2) continuous hours of overtime work immediately preceding or immediately following an employee's regular shift, the employee becomes entitled to a paid meal break of a one-half ( $\frac{1}{2}$ ) hour which the Employer may permit to be started at any time within the two (2) hour period but, except in an emergency, no later than the end of two (2) hours.

(2) During Call-Outs and Pre-scheduled Overtime

Upon completion of three and one-half ( $3\frac{1}{2}$ ) continuous hours of call-out work or pre-scheduled overtime work, occurring at any other time than immediately preceding or immediately following an employee's regular shift, an employee becomes entitled to a paid meal break of a one-half ( $\frac{1}{2}$ ) hour which the Employer may permit to be started at any time within the three and one-half ( $3\frac{1}{2}$ ) hour period but, except in an emergency, no later than the end of the three and one-half ( $3\frac{1}{2}$ ) hours.

(b) (1) Meal break compensation when overtime taken in pay

Employees entitled to a meal break under Clause 8.4(a)(1), (2), or (3), who take overtime earned in pay, shall receive one-half ( $\frac{1}{2}$ ) hour at double (2X) the employee's regular rate of pay for the meal break.

(2) Meal break compensation when overtime taken in compensating time off

The Union may request the basis for an Employer's decision from the General Manager, Human Resource Services or designate within 14 calendar days of being notified of the decision. Human Resources will provide this information within 14 calendar days of the request or will advise the Union of any delays in providing the information. If the Union does not agree with the Employer's decision, and wishes to pursue the matter, the Union shall refer the issue to Step 1 below within 14 calendar days of receiving the explanatory information, giving written reasons why it disagrees with the Employer's decision and the remedy sought.

(2) Step 1

The Step 1 attendees will be the General Manager, Human Resource Services or designate, the departmental Human Resource Consultant, a City of Vancouver Compensation representative, the Department Manager or designate, the Union's Job Evaluation Representative, a Union representative and the incumbent of the position. Two additional incumbents may attend in disputes involving the review of a class involving multiple positions. The focus of the meeting will be fact-finding on job duties and responsibilities.

The Employer will respond to the Union in writing within twenty one (21) calendar days of the Step 1 meeting. If the grievance is not resolved, the Union may refer the grievance in writing to Step 2 within twenty one (21) calendar days of receiving the response.

(3) Step 2

The Step 2 attendees will be the General Manager, Human Resource Services or designate, a City of Vancouver Compensation representative, the Union's Job Evaluation Representative, and a Union representative. The focus of the meeting will be the application of classification principles in allocating the disputed position to either an existing Schedule "A" classification or a new classification established by the Employer.

The Employer will respond to the Union in writing within 21 calendar days of the Step 2 meeting.

If the grievance remains unresolved after the conclusion of Step 2, the Union may advance the grievance to Arbitration by advising the General Manager, Human Resource Services in writing within fourteen (14) calendar days of the date of the final Step 2 response.

(4) Arbitration

- (a) The parties shall agree on the Arbitrator within fourteen (14) calendar days of the referral and must request dates from the Arbitrator at that time.
- (b) Where the parties are unable to agree on the Arbitrator within fourteen (14) calendar days of the referral, either party may apply to the Director, Collective Agreement Arbitration Bureau within the following ninety (90) calendar days to make the appointment of an Arbitrator. If there is no agreement to an Arbitrator and no referral to the Director, Collective Agreement Arbitration Bureau in accordance with this Clause, the grievance shall be considered to be abandoned.
- (c) In all other respects, the provisions of the Labour Relations Code shall apply. The decision of the Arbitrator shall be final and binding on both parties. Each party shall pay half the expense of the Arbitrator and the expenses of their representative(s).
- (d) In considering the proper allocation of a position in classification disputes, the parties agree that the Arbitrator shall have the authority to consider Schedule "A" classes within the Employment Pool, Britannia Community Services Society, and Ray-Cam Cooperative Association.

11.13 Occupational Health and Safety

- (a) The Employer and the Union agree that all parties, including employees, have a responsibility to provide and maintain a safe work environment and to work cooperatively to support and develop safe work practices that will

not place individual employees, co-workers, the public or the City at risk.

- (b) All relevant regulations of the Workers' Compensation Act shall be observed and adhered to.
- (c) An Occupational Health and Safety Committee shall be established consisting of four (4) representatives of the Employer and four (4) Union-appointed representatives. The Committee shall discuss matters related to occupational health and safety and shall make recommendations to the City Manager. Where the Union-appointed representatives are employees of the Employer (not including employees on a leave of absence), they shall be eligible for leave without loss of pay for meetings of the Committee.

Note: Ray-Cam and Britannia employees shall be eligible to be appointed to the Parks Occupational Health and Safety Committee.

#### 11.14 Security and Related Monitoring Equipment

The Employer shall advise the Union and all affected employees of the location of security cameras and/or other related monitoring equipment used for the general safety and/or security of the worksite(s) and/or employees prior to the installation of such equipment.

This provision shall not apply to the investigation or surveillance of employees suspected of serious misconduct and/or illegal conduct.

#### 11.15 Student and Grant Employment

The Employer and the Union agree that the following provision shall only apply to those programs on which the parties agree. It is understood that the intent of the parties is to identify and agree on the programs to be covered as they arise in order to give force and effect to this provision.

- (a) The Employer and the Union agree to cooperate to create temporary employment opportunities under Post-Secondary Co-Op programs, student work placement programs, and for employees hired under grant programs where the work being performed is beyond the normal hiring requirements or normal seasonal hiring. The Collective Agreement posting, filling vacancies and selection process provisions shall not apply to these temporary employment opportunities.
- (b) Where grant applications require the approval of the Union, such approval will not be unreasonably withheld.
- (c) Post-Secondary Co-Op students will be paid at the rate of pay established by the educational institute. Where the educational institute does not establish a rate of pay, the student shall be paid no less than seventy-five percent (75%) of step one of the rate of pay for the classification they are nominally assigned to but in no case shall a Co-Op program student be paid less than step one of Pay Grade 13.

- (d) Students hired in accordance with student work placement programs under (a) above shall be paid no less than seventy-five percent (75%) of step one of the rate of pay for the classification they are nominally assigned to. In no case shall a student be paid less than step one of Pay Grade 9. This paragraph is not applicable to the normal seasonal hiring of students.
- (e) Grant Employees shall be paid the higher of the grant rate or step one of Pay Grade 9.
- (f) Employees covered by this Clause shall not be entitled to any benefits or paid time off provisions provided by the Collective Agreement. They shall receive four percent (4) vacation pay which shall be paid each pay day.
- (g) Employees covered by this Clause shall not accumulate any seniority, length of service or bidding rights or be granted any credit for time worked if they obtain a regular position.
- (h) Employees covered by this Clause shall be covered by the Union Security and Check-Off provisions of the Collective Agreement.
- (i) This Clause does not apply to non-employment opportunities created for students such as Partners at Work.

## 12. SENIORITY

### 12.1 Acquisition and Calculation of Seniority

- (a) Employees shall acquire seniority as follows:
  - (1) Regular Full-Time Employees and Regular Part-Time Employees - upon completion of six (6) calendar months of continuous service. Notwithstanding the acquisition of seniority, those employees who are required to serve twelve (12) months probation shall be required to complete their probation period before being confirmed as Regular Employees;
  - (2) Auxiliary and Temporary Full-Time Employees - upon completion of nine hundred and thirteen (913) hours, provided that such employees, while having seniority, shall be required to serve the normal probationary period upon acquiring a regular full-time or regular part-time position.
  - (3) When calculating accumulated hours towards seniority, only straight time hours worked or paid since the last break in service of greater than one (1) year shall be included in the calculation; provided, however, that the accumulated hours worked or paid shall not exceed thirty-five (35) hours times the number of calendar weeks since the last break in service.

- (b) Upon becoming a Regular Full-Time employee and completing the probationary period, an employee's seniority date will be calculated by dividing the employee's total accumulated hours as per (12)(a)(3) above by 7 hours per day and converting the number of days to a calendar seniority date. When counting the days backward, Public Holidays and weekends will not be counted.

Such seniority date shall not thereafter be adjusted for periods of layoff of less than twelve (12) months or for approved unpaid leave of absence periods of less than three (3) months. However, in the event that the Letter of Understanding regarding layoff and recall dated 1997 August 26 is cancelled the above referenced "twelve (12) months" shall be adjusted to read "six (6) months" for all periods of layoff subsequent to the cancellation.

- (c) Seniority for Regular Part-Time, Auxiliary and Temporary Full-Time Employees shall be on the basis of all straight time hours actually worked by and/or paid to an employee while in the bargaining unit subject to paragraph (a)(3) above.
- (d) Employees on Maternity and/or Parental Leave (including adoption) shall be credited with seniority upon their return to work based on the hours they would have worked but for the period of the Leave. A Regular Full-Time Employee shall not have their seniority date adjusted for an absence due to Maternity and/or Parental Leave. A Temporary Full-Time Employee shall receive credit until the scheduled end of their temporary assignment based on full time hours; the credit for the balance of the Leave shall be based on the average monthly hours worked in the twelve (12) month period preceding the leave. An Auxiliary Employee shall be credited with seniority during the period of Leave based on the average monthly hours worked over the twelve (12) months preceding the Leave.
- (e) The Seniority List shall be updated and a copy provided to the Union once each year (approximately late January each year).

## 12.2 Application of Seniority

The application of Seniority is as provided for in the following provisions of the Collective Agreement: work week (Clause 11.1) bidding rights and filling vacancies (Clause 11.2), promotions, transfers and demotions (Clause 11.3), layoffs, bumping and recall (Clauses 11.5 and 11.6), vacation and overtime conflicts (Schedule "I"), and permanent reduction of the workforce (Letter of Understanding: Re: Layoff and Recall).

### 12.3 Loss of Seniority

Effective November 7, 2012:

- (a) Employees who have acquired seniority, terminate and are re-employed within one (1) year of termination, shall be reinstated on the seniority list except in the following circumstances:
  - i. They were terminated for cause; or
  - ii. They have applied for, or are in receipt of, their own Municipal Pension Plan pension; or
  - iii. They have bought out their recall rights.
- (b) Employees who have acquired seniority and temporarily leave the bargaining unit to fill an excluded position or a position in another bargaining unit shall maintain seniority, subject to the following conditions:
  - i. Seniority shall no longer accumulate for that time worked outside of the bargaining unit in excess of twelve (12) consecutive months.
  - ii. Seniority shall be lost if an employee works outside the bargaining unit for more than eighteen (18) months in a thirty-six (36) month period.

In the event of a legal strike or lockout, the Employer must return to the bargaining unit any employee acting in an excluded position.

- (c) An employee who leaves the bargaining unit for a regular excluded position or a regular position in another bargaining unit shall be reinstated on the seniority list if they return before the expiry of their probation or six (6) months, whichever occurs first.

### 13. LEAVE OF ABSENCE – OFFICIAL UNION REPRESENTATIVES

- (a) Official Union Representatives
  - (i) Official Union Representatives shall include Shop Stewards and Union Executive Members who are not already on a leave of absence.
  - (ii) The Union agrees to provide an up to date list of Official Union Representatives to the Employer every six (6) months.
- (b) Applications for Leave

All applications for union leave of absence whether with or without pay shall be granted to Official Union Representatives provided their absence does not interfere with the Employer's ability to meet operational needs. A minimum of twenty-four (24) hours' notice shall be provided when requesting a leave of absence. Such notice shall be waived to accommodate the three (3) hour notice period contained in Clause 14 when a meeting is called by the Employer for the purposes of written discipline, suspension or dismissal and may be modified or waived at the discretion of the Employer in other situations.

(c) Leaves of Absences - General Manager Approval

Upon application to and upon receiving permission from the employee's General Manager or designate in each specific case, Official Union Representatives may be granted:

1. Time Off Without Loss of Pay:

- (i) to attend the complaint or grievance meetings with Employer representatives, or arbitration hearings held in accordance with Clause 15 of this Agreement, and/or any additional pre-arbitration grievance related meetings agreed to by the Employer. Not more than one (1) Official Union Representative shall be granted leave of absence, without loss of pay, to attend each meeting;
- (ii) to attend investigation meetings to which an Official Union Representative has been invited by the Employer as an observer and/or meetings convened for the express purpose of written discipline, suspension or dismissal of an employee. Not more than one (1) Official Union Representative shall be granted leave of absence, without loss of pay, to attend each meeting; or
- (iii) to participate in collective bargaining with the Employer. Not more than seven (7) Official Union Representatives (in total from the City, Parks, Britannia and Ray-Cam) shall be granted leave of absence for the purpose of collective bargaining with the Employer.

2. Time Off Without Pay:

- (i) for any of the purposes outlined in (1) above, additional Official Union Representatives may be granted leave; or
  - (ii) to meet with a grievor during the informal complaint stage and formal stages of the grievance procedure, as well as to prepare for arbitration hearings.
3. An opportunity to adjust and take their lunch and/or rest breaks in order to investigate and possibly avoid an alleged grievance; provided such adjustments do not interfere with the Employer's ability to meet operational needs.

(d) Leaves of Absences - General Manager, Human Resource Services Approval

Upon application to, and upon receiving the permission of the General Manager, Human Resource Services, Official Union Representatives may be granted leave of absence without pay:

- (i) to transact other business in connection with matters affecting members of the bargaining unit;

- (ii) to perform duties as a full-time officer of the Union. Such employee shall not suffer a loss in seniority in the service of the Employer, and shall continue to accumulate seniority while performing such duties. Upon retirement from the duties as an officer of the Union, such former Union officer shall be entitled to return to a position within the class of positions to which the employee's former position was allocated and for which the employee is qualified if any position within such class is vacant or held by an employee with less seniority. If all of the positions within such class are held by employees with more seniority or have been abolished, such former Union officer shall return to any vacancy at or below their previous pay grade for which they are qualified; or,
- (iii) to accept appointment or election to a full-time position with the Canadian Union of Public Employees, the Vancouver Labour Council, the British Columbia Federation of Labour or the Canadian Labour Congress. An employee on such leave shall not lose seniority in the service of the Employer. Upon termination of such period of office, the employee shall return to any vacancy at or below their previous pay grade for which they are qualified.

14. DISCIPLINE, SUSPENSION AND DISCHARGE

Where the Employer calls a meeting with an employee for the express purpose of written discipline, suspension or dismissal of an employee, the employee may elect to have a Union representative present. The Employer agrees to contact the Union office and provide:

- (a) At least one (1) full business days' notice of the time and location of a meeting under this Clause; and
- (b) At least three (3) hours' notice of the employee's contact information on file so the Union can contact the employee and provide a Union representative if the employee so wishes.

Where the employee elects not to have a Union representative present, or a Union representative is not available for the meeting, the absence of a Union representative shall not affect the Employer's right to discipline, suspend or dismiss. Nothing in this provision shall prevent the Employer from taking immediate disciplinary action in addressing serious workplace violations.

The Employer shall forward a copy of all disciplinary letters to the President of CUPE Local 15. A breach in this regard shall not void the discipline.

## 15. GRIEVANCE PROCEDURE

### 15.1 Grievances

Any difference concerning the dismissal, discipline or suspension of an employee or the interpretation, application, operation or any alleged violation of this Collective Agreement, including any question as to whether a matter is arbitrable, shall be dealt with without stoppage of work in the following manner:

#### (a) Meeting with Supervisor

- (1) An employee with a complaint shall raise it with their immediate Supervisor or the Supervisor who is directly responsible for the decision giving rise to the complaint. This will be done by the employee or Union Representative notifying the Supervisor within twenty-one (21) calendar days of the incident giving rise to the complaint, or of the date when the employee first became aware of the incident, whichever is later.
- (2) A meeting shall be held within fourteen (14) calendar days of the date on which the Supervisor is advised of the complaint. If this is not possible, the complaint may be referred to Step 1 of the formal grievance procedure. The purpose of this meeting is to review the circumstances giving rise to the incident, and to determine whether the complaint can be satisfactorily resolved without using the formal grievance procedure. At the option of the employee, a Union Representative may be present at the meeting.
- (3) If the employee is not satisfied with the Supervisor's response or if the Supervisor does not respond within seven (7) calendar days of the meeting, the Union Representative may choose to advance the complaint to Step 1 of the formal grievance procedure.

#### (b) Step 1

- (1) A Union Representative may file a grievance by notifying the General Manager or designate in writing or by e-mail, followed up in writing, and copied to the General Manager, Human Resource Services and the President, CUPE Local 15 within fourteen (14) calendar days of the date the response from the Supervisor was given or due. The grievance must specify the nature of the issue, the alleged violation of the Collective Agreement and the remedy sought.
- (2) A grievance meeting will be held with the General Manager or designate within twenty-one (21) calendar days of the Union Representative filing the grievance. If the General Manager or designate is unable to meet within twenty-one (21) calendar days, the Union has fourteen (14) calendar days from the date the meeting should have been held to refer the matter to Step 2.

- (3) The General Manager or designate will respond in writing within fourteen (14) calendar days of the meeting.
- (4) If the grievance is not resolved at Step 1, or the General Manager or designate does not respond within fourteen (14) calendar days of the meeting, the Union may refer the grievance to Step 2.

(c) Step 2

- (1) A Union Representative may advance the grievance to Step 2 by notifying the General Manager, Human Resource Services within fourteen (14) calendar days of the date the Step 1 response was received or was due.
- (2) Upon receiving the notice that the grievance has been referred to Step 2, the General Manager, Human Resource Services or designate and the Union shall make every reasonable effort to meet within twenty-one (21) calendar days of the Union Representative advancing the grievance to Step 2.
- (3) The General Manager, Human Resource Services or designate will respond in writing within twenty-one (21) calendar days of the meeting.
- (4) If the grievance is not resolved at Step 2, the Union may advance the grievance to arbitration by advising the General Manager, Human Resource Services in writing within twenty-eight (28) calendar days of the date of the Step 2 response.

(d) Arbitration

- (1) The parties shall use a single Arbitrator, unless both parties want a three (3) member Arbitration Board which shall consist of one (1) member appointed by each party and a Chairperson mutually appointed by the Employer and the Union.
- (2) The Employer and the Union shall mutually agree on the Arbitrator or the Chairperson within fourteen (14) calendar days of the referral.
- (3) Where the parties are unable to agree on a single Arbitrator or a Chairperson within fourteen (14) calendar days of the referral, either party may apply to the Director, Collective Agreement Arbitration Bureau within the following ninety (90) calendar days to make the appointment. If there is no agreement to an Arbitrator or Chairperson and no referral to the Director, Collective Agreement Arbitration Bureau in accordance with this Clause, the grievance shall be considered to be abandoned.
- (4) In all other respects, the provisions of the Labour Relations Code shall apply. The decision of the Arbitrator or Arbitration Board shall be final and binding on both parties. Each party shall pay half the

expense of the Arbitrator or Chairperson and the expenses of their representative.

(e) Pre-arbitration consultation

The parties agree to meet at least thirty (30) days prior to an arbitration hearing to discuss the issues in dispute and reach resolution if possible.

(f) Employer-initiated grievances

Employer-initiated grievances shall have the same time limits and procedures as Union-initiated grievances.

15.2 Policy Grievances

- (a) When a “dispute”, as defined in the Labour Relations Code, arises between the parties, including any difference concerning the interpretation, application, operation or alleged violation of this Agreement which does not specifically involve an employee, the matter may be submitted in writing by the Union to the General Manager, Human Resource Services or, alternatively, by the Employer to the Union.
- (b) The General Manager, Human Resource Services and the Union will make every reasonable effort to meet and discuss the grievance within twenty-one (21) calendar days of the notification of the grievance.
- (c) The responding party will respond to the grievance within fourteen (14) days of the meeting.
- (d) If a satisfactory settlement is not reached between the General Manager, Human Resource Services and the Union, the grieving party may refer the matter to the City Manager (or the Union where applicable) within fourteen (14) days of the response.
- (e) The City Manager and the Union Representative will make every reasonable effort to meet and discuss the grievance within twenty-one (21) calendar days of the referral under (d) above.
- (f) The responding party will respond to the grievance within fourteen (14) days of the meeting.
- (g) If the grievance is not resolved through the above process, the grieving party may refer the grievance to Arbitration as provided for in Clause 15.1(d).

15.3 Suspension or Dismissal

When an employee is suspended, the Union Representative may file a grievance directly at Step 1, bypassing the Meeting with the Supervisor. When an employee is dismissed, the Union Representative may file a grievance directly at Step 2, bypassing the Meeting with the Supervisor and Step 1. In both situations, the Union Representative shall file the grievance within fourteen (14)

calendar days of the date the employee is notified of the suspension or dismissal.

15.4 Variations

The parties may mutually agree to vary the procedure or to alter the timelines.

16. TECHNOLOGICAL CHANGE

During the term of this Agreement any disputes arising in relation to adjustment to technological change shall be discussed between the bargaining representatives of the two parties to this Agreement.

Where the Employer introduces, or intends to introduce, a technological change, that:

- (a) affects the terms and conditions, or security of employment of a significant number of employees to whom this Agreement applies; and
- (b) alters significantly the basis upon which this Agreement was negotiated,

either party may, if the dispute cannot be settled in direct negotiations, refer the matter directly to an arbitration board constituted under 15.1(d) of this Agreement, by-passing all other steps in the grievance procedure.

The arbitration board shall decide whether or not the Employer has introduced, or intends to introduce a technological change, and upon deciding that the Employer has or intends to introduce a technological change the arbitration board:

- (a) shall inform the Minister of Labour of its finding; and
- (b) may then or later make any one or more of the following orders:
  - (1) that the change be made in accordance with the terms of this Agreement unless the change alters significantly the basis upon which this Agreement was negotiated;
  - (2) that the Employer will not proceed with the technological change for such period, not exceeding ninety (90) days, as the arbitration board considers appropriate;
  - (3) that the Employer reinstate any employee displaced by reason of the technological change;
  - (4) that the Employer pay to that employee such compensation in respect of the displacement as the arbitration board considers reasonable.

The Employer will give to the Union in writing at least ninety (90) days' notice of any intended technological change that:

- (a) affects the terms and conditions or security of employment of a significant number of employees to whom this Agreement applies; and
- (b) alters significantly the basis upon which this Agreement was negotiated.

17. EMPLOYMENT EQUITY

The Employer and the Union agree with employment equity programs which will assist visible minorities, persons with disabilities, First Nations people, and women in gaining entry into employment and which will provide opportunities for advancement.

Note: see also Schedule "G".

18. AGREEMENT AS TO CONDITIONS NOT MENTIONED

It is agreed that any general conditions presently in force which are not specifically mentioned in this Agreement and are not contrary to its intentions shall continue in full force and effect for the duration of this contract provided reference can be made to previous writing on the subject.

19. OCCUPATIONAL HEALTH PLAN

All employees covered by this Agreement shall be subject to the provisions of the Occupational Health Plan as agreed to between the Employer and the Union.

20. HUMAN RIGHTS

The Employer and the Union agree that any form of discrimination (including sexual harassment) under the prohibited grounds of the B.C. Human Rights Code shall not be tolerated in the workplace.

21. HARASSMENT

The Employer and the Union recognize the right of employees to work in an environment free from harassment.

22. CONSULTATION COMMITTEE

On the request of either party, the parties shall meet for the purpose of discussing issues relating to the workplace that affect the parties or any employee bound by this Agreement.

23. SCHEDULES AND LETTERS OF UNDERSTANDING

It is agreed between the parties hereto that the Schedules and the Letters of Understanding annexed hereto shall form part of this Agreement.

IN WITNESS WHEREOF the parties hereto have caused these presents to be executed under the hands of their respective proper officers duly authorized in that behalf, as of the day and year first above written.

B. 6. Pay for Acting Senior Capacity (Auxiliary Only)

The Parties may mutually establish complementary classifications. Such determinations shall not establish a precedent.

Should an auxiliary temporarily leave their customary classification to perform the duties associated with a higher paying complementary classification, such auxiliary employees shall receive:

- a) Where the new pay range overlaps that of the former Complementary Classification, the rate of pay shall be one step above the employee's present rate; or
- b) Where the new pay range does not overlap that of the former Complementary Classification, the rate of pay shall be the first step in the salary range of the new Complementary Classification.

The increase shall only apply for the duration of the assignment. On return to the "home" classification, step placement will factor in hours worked at the higher-rated complementary classification.

B. 8.1 Overtime

(1) Overtime for Employees Working Standard Hours

- (a) Overtime compensation shall be paid for all overtime worked at time and one-half (1.5x) the regular rate of pay for the first two (2) hours of overtime worked in excess of eight (8) hours in a day or forty (40) straight time hours in a week and double (2x) the regular rate of pay for all overtime in excess of the first two (2) hours.
- (b) When an employee has not worked forty (40) straight-time hours on five (5) days during the week, the employee may work on the sixth (6<sup>th</sup>) and/or seventh (7<sup>th</sup>) day of work in that week at straight-time pay until such time as the employee has worked forty (40) straight-time hours and thereafter overtime provisions shall apply.

## (2) Overtime for Employees Working Compressed Work Week Hours

(a) Where an Auxiliary or Temporary Full-Time employee is replacing an employee, or is required to work compressed work week hours in a section on a compressed work week, overtime compensation shall be paid for all hours worked in excess of:

- (1) the greater of eight (8) hours in a day or the daily hours for the compressed work week; or,
- (2) the greater of forty (40) straight time hours in a week or the straight time hours the compressed work week schedule would have included in that week.

Overtime shall be paid on the basis of time and one-half (1.5x) the regular rate of pay for the first two (2) hours of overtime and double (2x) the regular rate of pay for all overtime in excess of the first two (2) hours.

(b) When an employee has not worked forty (40) straight-time hours during the week, the employee may work additional hours that week at straight-time pay until such time as the employee has worked forty (40) straight-time hours and thereafter overtime provisions shall apply.

(3) Where an additional shift would create an overtime situation, an employee has a responsibility to obtain approval from the supervisor(s) involved before working extra shift(s).

B. 8.2 Callout

An employee who is required to return to work without prior notice following the completion of their scheduled shift shall be entitled to double (2X) their regular rate of pay for the time worked with a minimum three (3) hours.

Where an employee is called and offered additional hours, but is not required to report to work, this callout provision shall not apply.

B. 8.3 Standby

When an employee is specifically required to stand by and be available for a callout, they shall be entitled to:

- one (1) hour's pay at the employee's regular rate of pay for each full period of eight (8) hours.
- one-half (1/2) hour's pay at the employee's regular rate of pay when the standby time exceeds a multiple of eight (8) hours and the remainder of the stand-by time is not more than one-half (1/2) of the standby period of eight (8) hours.

## SCHEDULE "E"

This is Schedule "E" referred  
to in Clause 23 of this Agreement

### MATTERS ARISING FROM COLLECTIVE BARGAINING

#### 1. 1977 Negotiations

##### 1.1 Compressed Work Week

With respect to the Unions' proposal for a Compressed Work Week based on present hours, it is agreed that decisions regarding whether or not, and if so, to what extent compressed work weeks should be introduced should be made in local discussions between the Employer and the Union. It is agreed, however, that arrangements for the conversion of fringe benefits from a 5-day week basis to a 4-day week basis or to a 9-day fortnight basis shall be made in accordance with one or other of the standard formulas the details of which are set forth in Appendix "1" which is attached to this Schedule.

It is expressly agreed that the various formulas which are to be included within all new Agreements, are to be based upon the principle that any adjustment from a 5-day week is to be accomplished with neither any additional salary or benefit cost to the Employers nor any reduction in the salaries or benefits received by their employees.

##### 1.2 Regular Full-Time Employees

The Employer agrees in principle that Swimming Instructors I and II, and Aquatic Specialists regularly working thirty-five (35) hours per week twelve (12) months of the year under Schedule "A-1" hereto should be included under Schedule "A" hereto and be entitled to the provisions thereof.

#### 2. 1986-1987 Negotiations

##### 2.1 Group Life Plan

The Employer shall provide the Union with a minimum of sixty (60) days' notice of any change of carrier providing Group Life coverage. The Employer shall review annually with the Union the status of their Group Life Plan and any surpluses generated by the Plan experience shall be utilized to provide a premium holiday for both Employer and employees in accordance with current cost sharing of premiums unless other arrangements mutually satisfactory to the parties can be reached.

3. 1994-1996 Negotiations3.1 Parking (amended in the 2003-06 negotiations)

Notwithstanding the Employer's prior notice to cease providing free parking commencing 1995 January 01, the Employer agrees to delay the implementation of a paid parking system and will provide employees who currently have free parking available to them with sixty (60) days' notice prior to the date a paid parking system is implemented. Prior to such implementation, the Employer will meet with the Union to discuss impacts and issues and, effective 2004 June 17, the Employer further commits that any moneys collected as part of the Employer-paid parking program will be applied to an Employer transportation program.

4. 1997-1999 Negotiations4.1 Group Life Insurance

Effective 1997 August 16, the Employer and Union agree to delete the \$1,000 paid up coverage for retirees. The Employer shall have the option of working out an arrangement with retirees to pay out a portion of the benefit.

5. 2003-2006 Negotiations5.1 Joint Sick Leave Committee

As soon as possible after the date of ratification of the Memorandum of Agreement, the Employer and the Union agree to establish a joint Union-Management sick leave committee consisting of not more than three (3) representatives of the Union and three (3) representatives of the Employer. Where the Union representatives are employees of the Employer (not including employees on a leave of absence), they shall be eligible for leave without loss of pay for meetings of the committee.

The purpose of the committee shall be to discuss ways to address excessive and inappropriate usage of sick leave in order to recoup lost productive time and to review the issue of medical certificates and their related costs. The Employer shall provide this committee with regular updates on sick leave usage in order to facilitate the discussions.

6. 2007-2011 Negotiations6.1 Joint Committee – Auxiliary Scheduling

The Employer will review the feasibility of developing or acquiring a system(s) or establishing processes that will:

- facilitate the scheduling of Auxiliary staff in both the City and Park Board;

- assist in matching employees' skills, competencies, and qualifications with the availability of work;
- make more transparent to both employees and members of the public seeking work the employment opportunities within the City and Park Board; and
- link available employment opportunities to the City's recruitment and advertising processes, including use of civic websites.

As part of the above review, the Employer and the Union will establish a Joint Committee consisting of not more than three (3) representatives from each party to discuss auxiliary scheduling system(s) and processes and to discuss the means by which auxiliary employees' seniority may be considered in work scheduling, without unduly compromising or impeding operational requirements. The Committee will also consider the means by which Auxiliary and Temporary staff may register their availability for work and their intent to:

- seek regular full-time or regular part-time employee status;
- return from one season to another or from one program period to another; or
- simply be available on an on-call basis.

The Joint Committee will report its findings to the Employer and the Union by June 30, 2008.

## 6.2 Auxiliary Employee Conversion Review

A Joint Committee consisting of not more than three (3) representatives from the Employer and the Union will be established to discuss the applications of the Employee Definitions with a view to converting, where appropriate, auxiliary hours to either regular full-time or regular part-time positions.

The Employer shall share with the Union all information necessary for the review process, including the pattern of auxiliary hours over the past two (2) years and the operational criteria applied previously in conversion reviews done by the parties in both Parks and the City. The Union will also be provided with the opportunity to conduct worksite visits to review existing employees' shift schedules.

After discussions by the Joint Committee, the Employer will identify the auxiliary hours that the Employer is prepared to convert to regular full-time and regular part-time positions based on the criteria of previous conversion reviews; the Employer will also identify the employees who would be affected by such conversion.

The Employer's conversion proposal will be reviewed by the Joint Committee and reasonable consideration will be given to additional possible conversions proposed by the Union.

The Joint Committee will then make its report to the General Manager, Human Resource Services who will provide recommendations to City Council and the Park Board by June 30, 2008.

The Joint Committee will conduct a second conversion review to be completed by June 30, 2011.

APPENDIX "1" OF SCHEDULE "E"

Principles Governing the Conversion of Employee Fringe Benefits  
in Cases of Introduction or Renewal of Compressed Work Weeks

In the event that any of the parties to this Memorandum of Agreement decide in local discussions to extend the existing conversion of, or to convert the work week of the employees staffing the whole or a part of an Employer's operations, from five (5) working days to four (4) working days per week or to nine (9) working days per fortnight, it has been agreed that such employees' fringe benefits shall be converted as follows:

1. Basic annual working hours shall be calculated as  $260.89 \times$  daily working hours as per the 5-day week; e.g.,  $260.89 \times 7 = 1826\frac{1}{4}$ , or  $260.89 \times 7.5 = 1956.675$ .
2. Basic annual public holiday hours shall be calculated as  $12 \times$  daily hours as per the 5-day week; e.g.,  $12 \times 7 = 84$ , or  $12 \times 7.5 = 90$ .
3. Account shall be taken of the difference in basic annual rest period allowances; e.g.,  $52.178 \text{ weeks} \times 5 \text{ days} \times 20 \text{ minutes} (=86.96 \text{ hours})$  in the case of the standard 5-day week;  $52.178 \times 4 \times 20 \text{ minutes} (=69.57 \text{ hours})$  in the case of the 4-day week; and  $52.178 \times 4.5 \times 20 \text{ minutes} (=78.27 \text{ hours})$  in the case of the 9-day fortnight.
4. Employees shall have at least two of their days off in any week consecutive, and such days off shall for purposes of Overtime pay be deemed to be the "first scheduled rest day" and the "second scheduled rest day". Pay for any work on the third day off in any week shall be in accordance with normal daily overtime rates.
5. For the purposes of Overtime pay on scheduled working days, normal daily working hours and the normal work week shall be considered to be those lengths of time established by the parties pursuant to paragraph 8 herein.
6. Annual Vacation entitlement and all credits for Deferred Vacation, Supplementary Vacation, Sick Leave benefits and Gratuity benefits shall be converted from working days to working hours by multiplying the number of days to an employee's credit by the daily working hours as per the previous 5-day week. All deductions or debits shall be made on the basis that each working day of absence shall be measured as the length of time established by the parties pursuant to paragraph 8 herein.
7. Notwithstanding any Clause in a Collective Agreement to the contrary, an employee shall not receive pay for acting senior capacity where the employee has been temporarily required to accept the responsibilities and carry out the duties of a senior position because of the absence of the incumbent of that senior position due to the compressed work week.
8. In order to establish the length of the compressed work day and the compressed work week, the parties are to be governed by the principle that the basic annual working hours less basic annual public holiday hours and less basic annual rest period allowances are to remain the same under the compressed work week as they were under the standard work week.

The parties will be free to decide how to deal with the matter of public holidays in accordance with one or other of the three following ways, and their decisions will determine automatically the lengths of the compressed work day and work week:

- (a) Revert to a standard 5-day week in any week when a public holiday occurs;
  - (b) Change days off during any week when a public holiday occurs in order that each employee will work on 4 days in every week of the year with the sole exception being when Christmas Day and Boxing Day are observed in the same week in which case each employee will work 3 days in that week and 5 days in the immediately preceding week.
  - (c) Have a compressed work day off with pay for each public holiday, and owe the Employer the difference in hours between the length of the compressed work days and the length of the employee's former standard work day.
9. Whenever any doubt arises as to how the fringe benefit conversion should be made with respect to any item (whether or not covered by this Appendix "1"), the doubt shall be resolved by reference to the basic principle agreed upon by all parties to this Memorandum, i.e., there shall be no additional salary or benefit cost to the Employer, and no reduction in the salaries or benefits received by the employees.
  10. In the event any Employer and its respective Union wish to amend or continue an existing experimental compressed work week, or wish to introduce a compressed work week, they will be required to obtain the approval of the Joint Language Sub-Committee with respect to their proposed formula for converting employee fringe benefits.

SCHEDULE "F"

This is Schedule "F" referred  
to in Clause 23 of this Agreement

EMPLOYMENT STANDARDS ACT PRINCIPLES

The parties agree that the following principles are implicit in and form part of the terms of the Collective Agreement:

- (1) That, except where a provision in the Agreement or a currently accepted practice specifically contemplates otherwise, (for example, the Overtime, Callout and non-standard work week provisions) employees shall have not less than eight (8) consecutive hours free from work between each shift worked and not less than thirty-two (32) consecutive hours free from work between each week. Where an employee is required to work within the eight (8) or thirty-two (32) hour free period, the time worked during the work free period shall be subject to the appropriate overtime provisions.
- (2) That where an employee works a split shift, the shift shall be completed within twelve (12) hours of commencing such shift.

SCHEDULE "G"

This is Schedule "G" referred  
to in Clause 23 of this Agreement

EMPLOYMENT EQUITY

- A. The Employer and the Union agree to indicate their support of Employment Equity by agreeing to the following:
- (1) The Employer will provide, subject to budgetary restrictions, multicultural awareness training to departments on an as-requested basis.
  - (2) The Union agrees to support Employment Equity programs such as Literacy Training, including financial support.
  - (3) The Employer and the Union agree with such on-going concepts as the Native Outreach and Placement Programs.
  - (4) The Employer and the Union agree, as part of a rehabilitative program in conjunction with CUPE Local 1004, to discuss retraining options, alternate employment opportunities, waiving of seniority and posting requirements, and crossing jurisdictional boundaries for employees who are unable to perform their jobs as a result of becoming "persons with disabilities".
- B. Employment Equity Committee

The Employer, CUPE Local 15 and CUPE Local 1004 agree to establish a committee to review matters related to Employment Equity including the review of specific job classes which are under-represented by women, visible minorities, First Nations people, and persons with disabilities. Where there is mutual agreement, such under-represented positions may be posted externally and internally at the same time.

## SCHEDULE "H"

This is Schedule "H" referred  
to in Clause 23 of this Agreement

### EARNED DAYS OFF (EDO)

The Employer and the Union agree to a system of Earned Days Off (EDO) as follows:

1. The EDO system shall apply to all Regular Full-Time Employees, and Temporary Full-Time Employees who have worked and continue to work in a full-time capacity continuously in excess of six (6) months, and are not otherwise maintained on some alternate form of compressed work week. A Temporary Full-Time Employee who has qualified for EDO, leaves employment and returns within three (3) months, shall be placed back on EDO immediately.
2. Employees who work a 7, 7½, or 8-hour day shall work an additional thirty (30) minutes per day at straight-time rates resulting in a 7-hour 30 minute day (7.50 hours), or an 8-hour day, or an 8 hour 30 minute day (8.50 hours).
3. Breaks will consist of a one (1) hour unpaid lunch break with two (2) ten minute paid rest breaks, one occurring in the first half and one in the second half of the shift. Those operations with a one-half (½) hour unpaid lunch break shall remain at a thirty (30) minute unpaid lunch break.
4. The additional time worked (30 minutes/day) results in fifteen (15) paid days off over the course of a year and an additional three (3) paid days which will be scheduled in conjunction with the public holidays of Christmas and Boxing Day to provide for a shut down between Boxing Day and New Year's Day. For those employees who are required to work during the shutdown, the three (3) additional EDO days may be scheduled during the current year at the discretion of the employee upon providing a minimum of forty-eight (48) hours notice to their General Manager (or exempt designate).

Employees required to work during the shut down shall be notified no later than December 1<sup>st</sup> of such requirement. Where such notice has not been given and it is not possible to reschedule the time off prior to the end of the year, such days shall be paid out unless suitable alternate arrangements can be made between the employee and their General Manager (or exempt designate).

5. The balance of the EDO days may be scheduled by the General Manager in a manner that attempts to create a balance between the work and lifestyle interests of employees and the operational and customer service requirements of the Employer. In some situations this may result in pre-scheduled days off (not necessarily Monday or Friday) that provide employees a consistent day off approximately every three weeks on which they can normally rely. In other situations this may result in scheduled days off at times that are mutually acceptable to the employee and their General Manager (or exempt designate) and in some situations this may result in employees being held accountable for scheduling their own time off in a manner that ensures for an appropriate balance.

6. If an employee is required by the Employer to work on a pre-scheduled or mutually agreed upon EDO day off, the employee may reschedule the day off to any time within the following four (4) month period providing they provide forty-eight (48) hours' notice.
7. Notwithstanding items 4, 5 & 6 above, EDO days cannot be banked, must be taken prior to year end and will not be paid out unless, for reasons completely beyond the control of the employee, the employee has been unable to reschedule, prior to the end of the year, an EDO day previously cancelled by the Employer.
8. While the parties agree that the existing Labour Management committees in the Park Board and City may be used to discuss and attempt to resolve scheduling problems arising from the initial implementation of the EDO system, both parties recognize that this does not create a right to grieve either the method of scheduling chosen or the actual schedule implemented. This shall not limit the Union's ability to grieve matters related to discipline, discrimination or improper interpretation or application of the Collective Agreement.
9. For the purpose of applying overtime, the "standard hours of work" shall be considered to be 7.52, 8.02 or 8.52 hours, whichever is appropriate.
10. An employee's annual vacation entitlement shall be converted to "working hours" based on either a 7, 7.5 or 8-hour day and credited to the employee. For example, an employee with 3 weeks' vacation shall be entitled to 105, 112.5 or 120 hours of vacation time depending on whether they previously were on a 7-hour, 7.5-hour, or 8-hour day. Debiting for vacation taken shall be on the basis of 7.52, 8.02 or 8.52 hours per day (see Appendix "1" of Schedule "H").
11. Similarly, an employee's sick leave and gratuity credits shall be converted to "working hours" and shall be credited and debited in the same manner as vacation.
12. Employees who are required to provide coverage for and to perform the work of another employee or employees on an EDO day shall not be entitled to acting senior capacity pay, extra pay grades, or to have such extra work considered when making application for a reclassification.
13. Nothing in this Schedule "H" shall limit the Employer's ability to schedule standard hours of work as described in Section 11.1.A of the Collective Agreement and to schedule non-standard hours of work as described in Section 11.1.B of the Collective Agreement.

This is Appendix "1" of Schedule "H" referred to in paragraph 10.

APPENDIX "1" OF SCHEDULE "H"

Calculation Of Working Hours Per Day For The Earned Days Off System

In accordance with Appendix "1" of Schedule "E" of the Collective Agreement and the method of calculation which has been previously agreed upon between the Employer and the Union for calculating the length of the work day and benefit entitlements under various forms of the compressed work week, the Employer and the Union agree that the following calculations shall govern the Earned Days Off System (EDO). The principles being that:

1. the basic annual paid working hours less basic annual public holiday hours less annual paid rest periods are to remain the same under the EDO system as they were under a standard 5 day work week system, and
2. there shall be no additional salary or benefit cost to the Employer associated with implementing EDO schedules beneficial to the employees and there shall be no loss in the salaries or earned benefit hours received by the employees.

Outlined below are calculations for a seven (7) hour per day EDO system. Similar calculations shall apply in those situations where the original length of the standard day was either seven and one-half (7.5) hours or eight (8) hours per day.

	1826.25	Working Hours per Year (Existing 5 Day work week schedule)
less	<u>84.00</u>	Public Holiday Hours (7 hours x 12 Public Holidays)
	1742.25	Total Working Hours per Year
less	<u>6.00</u>	Lost Compensation for 2 – 10 Minute Rest Periods x 18 EDO Days
	1736.25	Total Actual Paid Working Hours per Year

Total Average Working Days per Year on EDO = 260.89 – 12 (Public Holidays) – 18 (EDO Days) = 230.89 Days

Note: Average Working Days per Year is adjusted for the leap year cycle

$$\begin{aligned}
 \text{Length of EDO Work Day} &= \frac{\text{Total Actual Paid Working Hours per Year}}{\text{Total Average Working Days per Year on EDO}} \\
 &= \frac{1736.25}{230.89} \\
 &= 7.52 \text{ Hours per Day} \\
 &= 7 \text{ Hours } 31 \text{ Minutes}
 \end{aligned}$$

Notwithstanding the above calculations, the Employer and the Union have agreed that the length of the work day shall be 7 hours and 30 minutes (7.50 Hours per day) for the days that an employee actually works.

**VACATION ENTITLEMENT CONVERSIONS****5 Day Week Schedule****Conversion****EDO Schedule**

10 days (10 x 7 hrs per day = <b>70 hrs</b> )	70/7.52 hrs per day	9.31 days ( 9.31 x 7.52 = <b>70 hrs</b> )

SCHEDULE "I"

to in Clause 23 of this Agreement

VACATION SCHEDULING AND OVERTIME CONFLICTS

(1) Vacation Scheduling

Managers are expected to consider the following factors in the approval of vacation requests:

- (1) number of employees off at one time,
- (2) work load issues surrounding the time of the vacation request,
- (3) special employee qualifications and competencies required to perform the work,
- (4) compassionate issues, and
- (5) the recent or upcoming leaves of employees.

Where such factors do not assist in distinguishing between competing vacation requests, and there has been a reasonable distribution of prime vacation time, the most senior employee shall be given preference for all or part of their vacation request. The Employer will not cancel approved vacations for other than operational reasons.

(2) Overtime Conflicts

On occasion it is necessary to require employees to work overtime in order to meet operational and customer service requirements. It is recognized that in many situations the choice of who shall have access to overtime is prescribed by the nature of the work itself, the knowledge, capabilities and competencies of those required to do the work, the natural attachment of the work to a specified position, process, project or shift or by the exigencies at the time the overtime arises (including the lead time available prior to making the decision to use overtime). Where the overtime is not prescribed as above, could be done by a number of employees, there has already been a reasonable degree of sharing in such overtime and there are competing interests for the immediately available overtime work then the most senior employee shall be given preference.

(3) Decisions rendered in accordance with the above provisions are not subject to the grievance process. This shall not, however, limit the Union's general ability to grieve matters related to discrimination as per Clauses 4 or 20 or discipline.

SCHEDULE "J"

This is Schedule "J" referred  
to in Clause 23 of this Agreement

RE: HOURS OF WORK - COMMUNITY RECREATION COORDINATOR I, II, III; RECREATION PROGRAMMER I, II; RECREATION PROGRAMME ORGANIZER; ARTS AND CRAFT SPECIALIST; AMATEUR SPORTS AND FITNESS SPECIALIST; DIRECTOR - CAMP CAPILANO; COMMUNITY RECREATION WORKER; NEIGHBOURHOOD CO-ORDINATOR; HEALTH CLUB ATTENDANT AND RECREATION FACILITY CLERK

1. Except as noted below, the Hours of work of the above-mentioned classes shall be on a basis of 35 hours per week. The daily work period shall revolve around a requirement of 7 hours per day.
2. Scheduling of hours and programmes must be arranged to provide that permanent employees required for the afternoon shift will not be required to be on the premises after 10:30 p.m. unless otherwise mutually agreed between the parties.
3. Scheduled events which are predictable in continuing past the above time limits as listed in Item 2 shall require that the employees receive previous authorization for the working of this extended time.
4. Every effort shall be made by all parties concerned to operate within the framework of the established hours.
5. Swimming Instructor-Attendants will continue to work a 37½ hour work week.
6. Cashier may work longer hours when applicable.

### JOB SHARING

The Employer and the Union agree that where a Regular Full-Time Employee wished to share their full-time position, that such job sharing agreements be mutually agreed upon using the following principles PROVIDED HOWEVER, that nothing in this Letter of Understanding shall be construed as altering the existing rights and/or obligations of either party under the Collective Agreement, except as specifically provided herein:

#### 1. General

Where a Regular Full-Time Employee occupying a regular full-time position wishes to share their position with another employee and has received formal approval from the Department Head and the Union, the employee shall be entitled to do so in accordance with the provisions of this Letter of Understanding.

#### 2. Procedure

- (a) A Regular Full-Time Employee shall apply in writing to their Department Head indicating the reason for the request including the hours and days of the week the employee wishes to share and with whom the employee contemplates the job sharing arrangement. A copy of this request shall be forwarded to the General Manager, Human Resource Services and the Union.
- (b) The employee with whom it is contemplated the position shall be shared must be qualified to perform the duties and responsibilities of the position.
- (c) Where an employee's request is approved and results in an acceptable job sharing arrangement, the General Manager, Human Resource Services shall provide each affected employee with a letter covering the terms and conditions of the Job Sharing arrangement signed by the Employer and Union.
- (d) Under normal circumstances, the regular daily and weekly hours of the position shall remain unchanged as a result of the Job Sharing arrangement unless otherwise varied by the terms and conditions as provided by the letter referred to in paragraph (c) above.
- (e) Where an employee's request is denied, the Union may request a meeting with the Department Head and General Manager, Human Resources to discuss the matter.

3. Duration

- (a) Each Job Sharing arrangement shall be for a maximum period of one (1) year unless extended by mutual agreement between the Employer and the Union.
- (b) A Job Sharing arrangement may be terminated earlier than expected by either of the employees or by the Employer provided thirty (30) calendar days' written notice has been served to the other parties, unless otherwise provided for in the letter referred to in paragraph 2(c). Other employees temporarily appointed to fill positions vacated as a direct result of job sharing shall be advised at the time of their temporary appointment that their term in the position could be cut short as a result of an early cancellation.
- (c) Upon the expiry or termination of the Job Sharing arrangement, the Regular Full-Time Employee shall revert to working in their position on a full-time basis under the terms and conditions applicable to Regular Full-Time Employees unless some other Job Sharing arrangement has been agreed upon.

4. Employee Status and Working Conditions

- (a) A Regular Full-Time Employee in a Job Sharing arrangement shall continue to maintain the status of a Regular Full-Time Employee during the period of time covered by the Job Sharing arrangement and shall accumulate seniority in proportion to the scheduled hours compared to the full-time hours of the position. Such an employee shall be entitled to exercise bidding rights as a Regular Full-Time Employee and to use accumulated seniority for all applicable purposes including layoff, bumping and recall.
- (b) The general principles with respect to wage rates, employee benefit entitlements and premium payments for Regular Full-Time Employees in Job Sharing arrangements are as follows:
  - (1) Wages shall be paid in accordance with the ratio that the employee's scheduled weekly hours bears to the full-time hours of the position being shared.
  - (2) Paid leave benefits, such as Vacation, Public Holidays, Sick Leave and Gratuity shall be earned on a proportionate basis in accordance with the ratio that the employee's scheduled weekly hours bears to the full-time hours of the position being shared.
  - (3) The employee's share of the premium payments for Health and Welfare benefits, such as Medical, Extended Health, Dental and Group Life shall increase proportionately as the number of scheduled weekly hours decrease in relation to the full-time hours of the position being shared.

- (c) In accordance with the general principles outlined in paragraph 4(b), except as otherwise stated, the following shall apply to Regular Full-Time Employees:

(1) Vacation Entitlement

The employee's annual vacation entitlement shall be prorated according to the number of weekly hours the employee is scheduled to work in comparison to the full-time hours of the position being shared. It is understood that the Employer shall not adjust the start date of the employee for the period of time spent in the Job Sharing arrangement and as such any future vacation entitlement shall not be delayed as a result of time spent in a Job Sharing arrangement.

(2) Supplementary Vacation

Supplementary vacation shall not be prorated as a result of an employee participating in a Job Sharing arrangement.

(3) Public Holidays

(a) Where an employee's normal hours of work are based on a five (5) day week, the employee shall take public holidays as they occur. The employee's public holiday entitlement and pay shall be earned on a proportionate basis in accordance with the ratio that the employee's scheduled weekly hours bears to the full-time hours of the position being shared.

(b) Where the employee has not received sufficient public holiday hours as part of their work schedule or been credited with sufficient hours as a result of the proration or made alternate arrangements to the satisfaction of the department to use public holiday hours to which they were entitled as a result of the proration, the employee's public holiday account shall be credited with the appropriate number of hours at year end.

(c) Where the employee has received an overage on the number of paid hours, the employee may be scheduled to work without pay to make up the equivalent number of overpaid hours. Where the Employer is not able to schedule work for the employee, arrangements shall be made to deduct the overage either from the employee's compensating time off account or from the employee's normal pay and such deduction is to be done at year end or at the expiry of the Job Sharing arrangement, whichever is the earlier.

(d) Shared positions based on the compressed work week of 4 days shall receive prorated public holiday pay as part of their pay cheque and therefore no adjustment is required.

(4) Medical Services Plan, Extended Health, Dental and Group Life

The Employer shall pay a prorated share of the premiums for the above-noted benefits based on the proportion of the employee's new scheduled hours compared to the full-time hours of the position being shared and the premiums normally paid by the Employer for a full-time employee. The employee shall pay the balance in order to maintain full coverage.

An example of the calculation of the Employer's share is as follows:

$$\text{Employer's share} = 17.5 \text{ (schedule hours)} / 35 \text{ (normal full-time hours)} \times 75\% \text{ (employer's portion of premium)} = 37.5\% \text{ of premium}$$
(5) Sick Leave and Gratuity

For the period of the Job Sharing arrangement, the employee shall have sick leave and gratuity days credited on a prorated basis, calculated on the same proportionate basis as the employee's new scheduled hours bears to the full-time hours of the position being shared.

(6) Vancouver Employees' Savings Plan

The employee shall continue to be entitled to VESP on the basis of 1½ of the reduced earnings.

(7) Superannuation

Where an employee is contributing to superannuation and enters a Job Sharing arrangement, the employee shall be required to continue making payments toward superannuation. The cost sharing arrangement shall continue on the same percentage basis applied to the reduced earnings.

(8) Increments

A Regular Full-Time Employee sharing a position shall be eligible for increments upon the completion of the equivalent period of service applicable to a Regular Full-Time Employee in a similar classified position.

5. Auxiliary and Regular Part-Time Employees

Auxiliary and/or Regular Part-Time Employees sharing a portion of a regular full-time position as a result of a Job Sharing agreement shall continue to be treated in accordance with the applicable provisions of the Collective Agreement.

LETTER OF UNDERSTANDING – JOB SHARING (cont'd)

6. Termination

Either party may cancel this Letter of Understanding by providing at least thirty (30) calendar days' written notice to the other party. Notwithstanding such cancellation, all Job Sharing arrangements in effect at the time of cancellation shall continue under the individual terms agreed upon.

### CHANGES TO HOURS OF WORK

Where the Employer wishes to change the hours of work (which includes work week), of an employee or a position, in a manner not already provided for within the terms of the Collective Agreement or as otherwise agreed by the parties, the following shall apply:

A. Informal adjustment of hours by mutual consent

A supervisor and an employee may, by mutual consent, at the written request of either party, agree to vary the employee's hours of work, for such fixed period as the parties may agree or in the absence of such fixed period, for as long as both parties continue to consent. Such variation in the hours of work shall not establish a precedent. Employees will not be eligible for additional premiums provided for in the Collective Agreement for working outside normal hours if the change is initiated by the employee. If any informal arrangements extend beyond six (6) months, the Union will be notified and if the Union objects the informal arrangement will be discontinued.

B. Formal change to hours of work

1. The Employer shall provide the Union with no less than thirty (30) calendar days' written notice of the intended change, the names of the position(s) and incumbent(s) impacted, the reason(s) for the change and duration, and provide an opportunity to meet within the thirty (30) days of the Union receiving the written notification in order to discuss the proposed change(s).
2. The Union shall provide a written response within thirty (30) calendar days of the meeting which shall include primary reasons for withholding their consent.
3. The Union shall not unreasonably withhold consent to the altered hours of work proposal.
4. Where the reason(s) for the change include a bona fide operational requirement that employees subject to this Agreement be available to support City operations staffed by employees represented by CUPE Local 1004, such bona fide operational requirement shall be presumed to constitute a reasonable justification and sufficient basis for implementation of the altered hours of work pursuant to this Letter of Understanding.
5. Where there is no mutual agreement, the matter may be referred within twenty (20) calendar days of receiving the Union's response to an Hours of Work Umpire who shall convene a hearing for a final and binding decision at any time, but no later than twenty (20) calendar days from the date the Employer referred the matter to the Umpire. No change to the hours of work shall be implemented

until such time as the Umpire has reached a decision and notified both parties in writing. It shall be the Employer's responsibility for establishing the rationale for the change in hours of work.

6. The cost of the Umpire shall be borne by the Employer. Where it is necessary to pay for accommodation, the cost shall be borne equally by the Employer and the Union.
7. The Hours of Work Umpire shall evaluate whether the Union has been unreasonable in denying the Employer's request after considering the Employer's rationale for the proposal, the impact on the personal and family needs of any affected incumbent(s), and the Union's rationale for denying the request.
8. Decisions of the Umpire shall not be precedent setting and shall be made within fourteen (14) calendar days of the matter being heard.
9. The Hours of Work Umpire shall be selected from the following list on a rotating basis. Should an Umpire not be available or indicate they will not be able to meet the time limit, the next name on the list shall be selected.
 

David McPhillips	Judi Korbin	Stan Lanyon
John McConchie	Chris Sullivan	Elaine Doyle
10. Employees who are affected by an hours of work change under this Letter of Understanding shall be offered the amended work shifts on the basis of seniority (high to low) provided they are qualified to perform the work. In the event there are insufficient employees who agree to accept the work shifts, the Employer shall assign the work in reverse order of seniority (low to high) to employees qualified to perform the work.
11. The parties agree that the Shift Premium provision applies outside the normal hours as referenced under the Shift Premium provision for any of the seven (7) days of the week.
12. Except as provided in #13 below, the process established in "B" of this Letter shall be used to revert to the hours of work previously in effect or to make further adjustments to the hours.
13. Nothing in this Letter impacts the current 1976 Letter of Understanding on the Compressed Work Week and the cancellation provision contained therein, where City Council has resolved to invoke the cancellation. In such event, the Employer may cancel any Compressed Work Weeks established under this Letter of Understanding.
14. The Employer and the Union agree that procedures under this Letter of Understanding do not relate to a "difference" within the meaning of Section 104(1) of the Labour Relations Code.

### LAYOFF AND RECALL

The Employer and the Union agree to amend the Layoff and Recall provisions of the Collective Agreement (Clauses 11.5 and 6) to include the following, effective 1997 August 26. All remaining provisions of the Collective Agreement remain in full force and effect. It is recognized these provisions apply only to Regular Full-Time Employees and, effective 2000 November 21, Regular Part-Time Employees.

#### 1. Definition

“Service Group” means:

- Parks
- Community Services, i.e. Planning, Permits and Licences, Social Planning and Housing
- Engineering
- Corporate Services, i.e. Finance, Information Technology, Building Management, Real Estate, Facilities Development and Risk and Emergency Management
- Fire
- Human Resources
- Civic Theatres
- City Clerk
- Law
- Ray-Cam
- Britannia

#### 2. Notice

Employees who are impacted by a permanent reduction in the workforce will be provided with not less than thirty (30) calendar days written notice of such fact.

Where the Employer determines that two (2) or more employees within the same classification and work group are performing substantially similar work and where the Employer intends to issue layoff notice to one or more employees within that group, layoff notices will be issued in reverse order of seniority provided the remaining employees have the qualifications and ability to perform any required work.

#### 3. Process

- (a) If there is a vacant position at the employees current pay grade in the employee’s Service Group or Employer-wide for which the Employer deems the employee qualified, the Employer may, at its discretion, place the employee in that position,

without posting. If the employee does not wish to be so placed, they may elect to be placed on the recall list or request a buyout of their recall rights.

- (b) If the employee is not placed in accordance with (a), then within fourteen (14) calendar days of receipt of notice, the employee shall elect to bump, to be placed on the recall list or request a buyout of their recall rights.
- (c) Where the Employer elects to provide notice in excess of thirty (30) calendar days, the Employer will have the discretion to extend the fourteen (14) calendar day period under (b) for some or all of the excess notice period.
- (d) Any employee who elects to bump may:
  - (1) elect to be placed in a vacant position of the same class Employer-wide; or
  - (2) bump the least senior employee in their classification in their Service Group or Employer-wide; or
  - (3) bump the least senior employee in any classification in their Service Group or Employer-wide at their current pay grade; or
  - (4) bump the least senior employee in a lower pay grade in their Service Group or Employer-wide; or
  - (5) elect to be placed in a vacant position at a lower pay grade Employer-wide.

If employees are not qualified to bump the least senior employee above, they may bump the next least senior employee, etc., until they find a position for which they are qualified.

- (e) An employee who has not been placed in accordance with (a) and who has exhausted their bumping rights under (b), or who elects not to exercise those rights, shall be placed on the Recall List.
- (f) In all cases, where an employee is placed or bumps into another position, the employee must be qualified to perform the work of the new position. Where an employee requires a reasonable period of familiarization, not exceeding thirty (30) calendar days, with the routine and specific responsibilities of the new position, the requirement for such period of familiarization shall not be taken as ground to deem the employee unqualified for the position.
- (g) An assessment period of three (3) months will apply to employees in new positions to confirm their ability to perform the job. If the Employer can demonstrate that the employee has not been successful in the assessment

period, it will again provide to the employee access to the process described above.

- (h) An employee has the right to have a Union Representative attend meetings with them to discuss layoff and bumping.

#### 4. Recall

- (a) The period of recall shall be extended to twelve (12) months, inclusive of temporary and auxiliary work.
- (b) Employees may continue participation in health and welfare benefits (MSP, EHB, Dental and Group Life) while on the Recall List by paying the full monthly premiums in advance.
- (c) The offer of temporary and/or auxiliary assignments to Regular Full-Time and Regular Part-Time Employees with seniority who have been laid off shall not be considered a recall. An employee who accepts such temporary and/or auxiliary work shall not receive a further layoff notice at the conclusion of such work. Employees who decline such work will not be considered to have refused a recall.

#### 5. Buyout of Recall Rights

Regular Full-Time Employees who are entitled to recall may request a buyout of their recall rights based on a payment equivalent to two (2) weeks, plus one (1) additional week for each additional completed year of service to a maximum payment of eighteen (18) weeks.

For Regular Part-Time Employees the buyout of recall rights shall be on a prorated basis calculated on the same proportionate basis that the Regular Part-Time Employee's weekly schedule of core hours bears to the full-time hours for that class of positions.

An employee who elects a buyout of recall rights will not be considered as an internal applicant for any job posting or vacancy effective from the date that the employee makes the election.

An employee who elects a buyout of recall rights will not be entitled to have their seniority reinstated pursuant to Clause 12.1(f) and will be considered a new employee if rehired by the Employer.

### TELECOMMUTING

The Employer and the Union agree that where a Regular Full-Time, Temporary Full-Time or Regular Part-Time Employee wishes to telecommute, such arrangement may be mutually agreed upon subject to the following terms and conditions PROVIDED HOWEVER that nothing in this Letter of Understanding ("LOU") shall be construed as altering the existing rights and/or obligations of either party under the Collective Agreement except as specifically provided herein.

#### 1. General

Telecommuting is defined as engaging in recurring, scheduled work during regular working hours that is done from a remote location other than an Employer worksite (the "Remote Location"), authorized and approved by the Employer, connecting to a regular designated Employer worksite, also authorized and approved by the Employer.

Any agreement entered into pursuant to this LOU shall be reached on the understanding that the arrangement is without precedent or prejudice to any position that the Employer or the Union may take in future cases involving similar or identical matters and/or circumstances, and that the terms and conditions of this LOU will apply.

While performing work at the Remote Location, the employee will continue to be considered a City of Vancouver employee, and will remain under the direction of his or her supervisor and will be required to perform his or her duties in a manner consistent with all Employer policies and guidelines.

The terms and conditions of the City of Vancouver and CUPE Local 15 Collective Agreement will be in full force and effect on those days where the employee is telecommuting.

#### 2. Procedure

- (a) An employee shall apply in writing to the General Manager of his or her Business Unit or that person's designate, indicating the reason for the request, the length of the proposed arrangement and the hours and days of the week the employee wishes to telecommute. A copy of this request shall be forwarded to the General Manager, Human Resource Services and the Union.
- (b) Where an employee's request is approved by the General Manager of the Business Unit and the Union and results in an acceptable telecommuting arrangement, the General Manager, Human Resource Services shall provide the employee with a letter covering the terms and conditions of the telecommuting arrangement signed by the Employer and Union.

- (c) Where an employee's request is denied, the Union may request a meeting with the General Manager of the employee's Business Unit and the General Manager, Human Resource Services to discuss the matter, provided however that it is understood that the Employer's refusal to approve a requested telecommuting arrangement shall not be grievable. This shall not, however, limit the Union's general ability to grieve matters related to discrimination as per Clauses 4 and 20 of the Collective Agreement.

### 3. Hours

Under normal circumstances, the regular daily and weekly hours of the position shall remain unchanged as a result of the telecommuting arrangement unless otherwise varied by the terms and conditions contained in the letter referred to in paragraph 2(b), above.

Scheduling and recording of time off including sick, EDO and vacation will be subject to the same rules and conditions as are currently in place and shall not occur only on days when the employee is scheduled to attend at an Employer worksite.

### 4. Provision of Equipment, Technology and Supplies

(a) The Employer shall provide:

- (i) the necessary computer software; and
- (ii) regular office stationery, materials and supplies required by the employee, both of which shall remain the property of the Employer.

(b) The employee shall provide:

- (i) necessary computer equipment and peripheral devices to specifications approved by the Employer, including upgrades which may be required from time to time;
- (ii) a high speed internet connection;
- (iii) office furniture;
- (iv) one telephone line available at all times during working hours for business use;
- (v) all additional utility expenses.

all of which shall remain the property of the employee, with the exception of any Employer-supplied furniture or equipment.

5. Safety and Ergonomics

- (a) The Employer and a Union Staff Representative shall jointly inspect the Remote Location at a time that is mutually agreeable to all parties. The inspection will be conducted in order to confirm that the Remote Location is appropriate and that it meets with WCB requirements. It is agreed that the Remote Location must be deemed satisfactory in writing by both the Employer and the Union before the employee may perform his or her duties from the Remote Location. If substantial changes are made to the Remote Location, the employee shall notify the Employer and the Employer and the Union Staff Representative may schedule another inspection to determine ongoing appropriateness of the Remote Location and to require changes to the Remote Location if the telecommuting arrangement is to continue.
- (b) WorkSafeBC matters in the telecommuting situation shall be treated similarly to injuries occurring at the regular workplace.

6. Productivity

Quantity and quality of work performed shall be monitored by the employee's supervisor to ensure quantity and quality of the work is consistent with required work levels and that work is performed during agreed working hours, per the employee's work schedule as set forth in the letter referred to in paragraph 2(b), above. Workload and productivity level expectations for the employee will be reasonable and similar to that expected at the regular workplace.

It is understood that should the Employer's network be unavailable, or should the employee's Remote Location computer be unavailable for more than 15 minutes, preventing him or her from performing assigned duties, that he or she will contact the supervisor immediately so that alternate duties may be discussed and assigned.

The employee will come to the regular designated work site should unforeseen problems prevent him or her from working at the Remote Location on the designated days, or should the Employer request the employee to attend a regular worksite. In the event the employee must attend at the regular worksite for any reason on a day scheduled for telecommuting, the Employer shall not reimburse any transportation expenses.

7. Dependent Care

Employees who telecommute and who are responsible for dependents or others shall have other care available such as a spouse, relative or neighbour who can provide care during working hours.

8. Security and Confidentiality

The employee's Remote Location computer and all necessary application and communication software must meet all Employer standards for remote access.

All Employer documents and information shall be kept in a manner that is safe, secure and confidential.

9. Term of Telecommuting Arrangement

It is understood that the employee’s telecommuting shall be considered to be a temporary work arrangement for a period as set forth in the letter referred to in paragraph 2(b), above, with the possibility of an extension.

Either party may terminate the telecommuting arrangement by providing 10 days’ written notice.

10. Term of Letter of Understanding

Either party may terminate this Letter of Understanding by providing at least thirty (30) calendar days’ written notice to the other party. Notwithstanding such cancellation, all Telecommuting arrangements in effect at the time of cancellation shall continue under the individual terms agreed upon.

This Letter of Understanding is effective from 2007 October 10.

LAYOFFS DUE TO CONTRACTING OUT

The Employer agrees that any proposal for contracting out of any work currently performed by members of CUPE Local 15 that may result in the layoff of members of the CUPE Local 15 workforce will be communicated to the Union no less than six (6) calendar months before the date on which the Employer intends to contract out the work.

Once such contracting out notice is given to the Union, the Employer and the Union will meet, in good faith, to discuss and consider the following:

- Alternatives to the proposed contracting out;
- Priority placement of the affected employees;
- Retraining, job search and outplacement support for the affected employees;
- Severance Provisions (including early retirement options). If the Employer and the Union cannot agree to the severance provisions, the matter will be referred to Brian Foley, or another mutually agreeable arbitrator, for a binding decision.

### ELIGIBILITY LISTS

[This Agreement is on a “Without Prejudice” and “Without Precedent” basis to the Parties, and to the interpretation or application of the Collective Agreement and any other agreements between the Parties]

The Parties have agreed to trial a new process for filling certain vacancies pursuant to Clause 11.2 of the Collective Agreement. The goal of the Trial is to streamline the selection process for classifications or positions that are homogenous and are subject to frequent vacancies.

The process shall align with the requirements of the Collective Agreement, except as amended herein:

1. The terms of the Trial shall accommodate up to six (6) Eligibility Postings within a period of eighteen (18) months commencing upon the ratification of the Collective Agreement. This eighteen (18) month period may be extended by mutual written agreement;
2. Classifications or positions chosen for the Trial shall be by mutual agreement;
3. The Employer shall determine when an Eligibility Posting shall be issued;
4. Eligibility Posting shall be posted for a minimum of fourteen (14) calendar days. The posting shall be uniquely identified and the closing date clearly defined;
5. All applicants for an Eligibility Posting who are deemed qualified and who complete the selection process shall be ranked (the “List”);
6. The results of the ranking shall remain valid for six (6) months from the date that the ranking is issued (the “List Period”). If ranked employees withdraw from the List or are successful in a separate Regular Full-Time posting, they shall not be re-entered into the List during the List Period;
7. If there are vacancies arising in the posted classification that the Employer intends to fill and which would normally trigger a posting, they shall be offered to employees from the List in sequential order;
8. A ranked employee shall not be obligated to accept an offer under paragraph 7 of this Letter of Understanding. In the event that an employee declines an offer, their right to that opportunity is spent. They shall remain entitled to future offers that arise within the List Period, should any arise;

LETTER OF UNDERSTANDING – ELIGIBILITY LISTS (cont'd)

The Parties shall meet near the mid-point of the Trial period to discuss the progress and confer regarding potential modifications to the foregoing terms. Any such modifications would be subject to mutual agreement.

The Parties shall meet at the conclusion of the Trial period to discuss the continuation of the process on an ongoing basis.

LONG TERM REPLACEMENT OF REGULAR EMPLOYEES

The Parties have agreed to the following provisions to address vacancies that are filled on a temporary basis where an employee is absent from their position for an extended period of time due to illness or injury.

The goal of these changes is to provide for a process that minimizes disruption and respects a returning employee's ability to meaningfully re-enter the workforce after a long-term absence, if that should occur.

1. Where "Employee A" is absent due to illness or injury and where their position is filled by "Employee B" on a temporary basis for two (2) calendar years;
  - (a) "Employee B" shall be appointed to that position on a regular and continuing basis, effective the second anniversary of being awarded the backfill posting.
  - (b) The appointment of "Employee B" may not be used to trigger subsequent appointments; that is, there shall be no cascading appointments.
  
2. In the event that "Employee A" is medically fit to return to their former position after 1(a) above has been satisfied, the following process shall govern "Employee A's" return to the workplace:
  - (a) The Employer may place "Employee A" into any available vacancy in the employment pool at the same pay grade without a posting; if "Employee A" declines such a placement, that decision shall extinguish the Employer's obligations to "Employee A".
  - (b) If no such vacancy is offered under 2(a) above within ten (10) calendar days, "Employee A" must exercise their bumping rights pursuant to Clause 3(d) of the Letter of Understanding – Layoff and Recall:
    - 3(d)(1): elect to be placed in a vacant position of the same class Employer-wide; or
    - 3(d)(2): bump the least senior employee in their classification in their Service Group or Employer-wide; or
    - 3(d)(3): bump the least senior employee in any classification in their Service Group or Employer-wide at their current pay grade; or

LETTER OF UNDERSTANDING – LONG TERM REPLACEMENT  
OF REGULAR EMPLOYEES (cont'd)

3(d)(4): bump the least senior employee in a lower pay grade in their Service Group or Employer-wide; or

3(d)(5): elect to be placed in a vacant position at a lower pay grade Employer-wide;

It being understood that the final two stages of the process (Clauses 3(d)(4) and 3(d)(5)) are at "Employee A's" discretion and that "Employee A" may not elect to buy-out their recall rights.

- (c) Placement and bumping opportunities are subject to the Employer's determination that "Employee A" is qualified and able to perform the work of the new position.
  - (d) If "Employee A" is not placed under 2(a) above and is not able to bump a junior employee in a similar pay grade under 2(b) above, the Employer shall return "Employee A" to their original position, if it still exists.
  - (e) In the event that "Employee A" returns to their original position, "Employee B" shall be provided notice of layoff.
3. The previous conditions are not intended to act as a substitute for the Employer's general duty to accommodate under the British Columbia *Human Rights Code*.
  4. The previous conditions do not prejudice the Employer's rights to terminate the employment relationship for cause.

Transition

5. Employees currently occupying positions which:
  - (a) satisfy the conditions of 1(a) above; or
  - (b) are within three (3) months of satisfying the conditions of 1(a) above,
 shall not be regularized without three (3) calendar months' notice.

1. Dues will continue to be deducted and remitted for employees working outside the bargaining unit while seniority is retained (includes that period in which seniority is retained, but no longer accumulating). Dues will cease to be deducted once seniority is lost.
2. Where administratively practicable, the Employer shall forward a report to the Union on a monthly basis (or a longer interval as mutually agreed) which shall enumerate the names of those CUPE 15 bargaining unit employees who have worked in an exempt position during the preceding report period.

Stan Lanyon  
John McConchie  
Chris Sullivan  
Elaine Doyle

The selected arbitrator shall be directed by the parties to peremptorily set the date for a one day hearing that shall occur no earlier than one month, and no later than two months, from the date of the referral. 4. Procedure

All presentations shall be concise, with an emphasis on providing a comprehensive opening statement. Unless it is mutually agreed, each Party shall be limited to a four (4) hour presentation. Under no circumstances shall a hearing exceed two (2) days.

5. Mediation Assistance:

(a) Prior to Hearing:

In advance of the hearing, a Party may direct that the arbitrator begin proceedings in a mediator role. Any such referral shall be communicated to the arbitrator at least 24 hours prior to the commencement of the hearing. Notwithstanding a referral to mediation, the Parties shall deliver their opening statements prior to the arbitrator begin proceedings in a mediator role

(b) After Submissions:

At any time during the hearing, or at the completion of the hearing, but prior to the delivery of a decision, a Party may request that the arbitrator assist in mediating a resolution to the grievance.

If mediation fails, or is not requested, a decision shall be rendered as outlined below.

6. Issuance of Report

At the request of either Party, a written decision from the arbitrator will be completed and mailed to the Parties within five (5) working days of the hearing.

7. Status of Report

All decisions of the arbitrators are to be limited in application to that particular dispute and are without prejudice. These decisions shall have no precedential value and shall not be referred to by either Party in any subsequent proceeding.

All settlements of matters referred to the expedited process which are reached through mediation shall be without prejudice.

8. Fees

The Parties shall equally share the costs of the fees and expenses of the expedited arbitrator.

9. Authority of Arbitrator

The expedited arbitrator shall have the same powers and authority as an arbitration board established under the provisions of Clause 15. It is understood that it is not the

1. Notwithstanding Clause 13, the parties agree that the following terms and conditions will apply in those instances where the Union wishes to "book off" an employee who is not an "Official Union Representative" designated by the Union pursuant to Clause 13(a) onto a Union-paid leave.
  - (a) The Union will provide as much notice as possible (minimum 24 hours advance notice) when requesting to book an employee off from work onto a Union leave status. The Union acknowledges that the shorter the notice provided in advance of the book off request, the more difficult it may be to grant an employee the time away from work.
  - (b) All leave requests will be considered on the basis of the Employers' ability to ensure operational needs are met, should the leave be granted.
  - (c) Where the Union books an employee off work onto a Union leave status, they will pay for the employee's time away from work. This said, the Employer agrees to maintain the employee's regular pay/salary, as well as all applicable benefits. The Employer will render an account of these costs to the Union and the Union will reimburse the Employer within sixty (60) days of invoice issuance for all identified costs.
  - (d) In accordance with Clause 10.10(b) of the City/CUPE Local 15 Collective Agreement, where an employee is booked off onto a Union-paid leave in excess of one (1) month in any calendar year, the Union will be invoiced and shall reimburse the City for any vacation accrual.
2. The parties agree that Clause 13 of the City and Parks/CUPE Local 15 Collective Agreements will continue to apply in all instances where the Union is seeking to book off from work an Official Union Representative onto Union leave. Where an Official Union Representative is granted leave in accordance with Clause 13(c)(2), that employee shall continue to be paid, and the Union will be invoiced by the Employer in accordance with paragraph 1(c) above.
3. This Letter of Understanding takes effect upon ratification of the Collective Agreement and replaces in its entirety the prior Letter of Understanding on the same matter signed October 20, 2008.
