Human Resources	
Budget and Financial Matters	
Facilities	Consultation
Administration	
Access	
System-wide Planning and Communication Mechanism	
Dispute Resolution Process	
Term	
Ending of Agreement	
Other	Appendices Consultation

NOTE – as mentioned at the April 30th meeting, as we proceed through this consultation process, the notes taken at each workshop (and projected in real time) will be made available on a JOA Consultation portion of the Park Board web site. Following the first round of consultation ALL feedback received via workshops and surveys will be published together with how that feedback was used in Draft 2 or, if not used, why not in a Consultation Summary Report that will be sent to all CCA Directors as well as Park Board Commissioners and management. Following that, Draft 2 of the JOA will be subject to a second round of consultation and the process of reporting on the feedback will be repeated after that round of consultation and accompany the proposed JOA that will be submitted to the Park Board for consideration in November, 2016.
