KEEP COOL!

Where to go to keep cool

If you need a break from the heat, visit a community centre, library or pool. Community Centres and Vancouver Public Libraries listed with an asterisk* have air conditioning. Advance registration for swim sessions is required for pools.

Phone 3-1-1 for information on libraries, community centres and pools, or for information on water fountains and misting stations.

* locations with air conditioning
 † locations with air-conditioning available only during heat warnings and extreme heat alerts
