

List of garbage collection service providers

- This alphabetical list of garbage collection service providers operating in Vancouver is for information only. The City of Vancouver does not endorse, support or guarantee the services of these companies.
- Please contact each company directly for prices and service details, as some information can change.
- If you are a company who offers garbage collection services to multi-unit residential buildings and would like to be added to this list, please send an email to reduce.waste@vancouver.ca
