RE: Kingsway-Main St Transit Improvements

Dear business owner or resident,

Parking changes are coming to Kingsway and Main St to improve transit service, in partnership with TransLink. This letter focuses on Main Street between Union Street and East 7th Avenue.

Starting in April, bus lanes and parking restrictions will be extended on both sides of Main Street between Union Street and East 7th Avenue at the following times (see map on p. 4):

- Northbound and southbound Main Street from East 7th Avenue to National Avenue: 7am-7pm, everyday
- Northbound – Main Street from National Avenue to Union Street: 7-10am & 3-7pm, Monday - Friday
- Southbound – Main Street from National Avenue to Union Street: 3 – 7pm, Monday - Friday

These changes will help buses move smoothly through traffic and support faster and more reliable bus service for thousands of transit riders.

What we heard

In October 2025, the City asked businesses and the public for feedback on the proposed bus lane changes. Based on feedback received we have updated the plan and are making the following changes on Main Street between East 7th Avenue and Union Street.

- Main Street between Union Street and Prior Street:
 - West side: Extending bus lane hours to 3 - 7pm, Monday to Friday
 - East side: Extending bus lane hours to 7 - 10 am and 3 - 7pm, Monday to Friday
- Relocating a loading zone from the south side to the north side of E 6th Avenue, and adding a loading zone on E 7th Avenue
- Adding time limits and pay parking to some unregulated parking spaces on E 4th Avenue, E 5th Avenue, E 6th Avenue and E 7th Avenue
- Converting some permit parking to “pay parking except with permit” on E 5th Avenue and E 6th Avenue
- Adding some parking on the north side of E 7th Avenue

What to expect during installation

Changes to signs and pavement markings, including:

- Overhead bus lane signs along Main Street between Union Street and E 7th Avenue
- Parking signs updated to reflect new parking regulations on Main Street and some side streets
- Refreshed bus lane paint and markings

Always check signs before parking or loading on the street. Temporary parking restrictions will be in place during construction. Watch for “No Parking” signs as work progresses.

Planned work hours:

- Monday to Friday: 7am–5 pm
- Saturday (if required): 7am–5 pm
- Sunday (if required): 10am–5 pm

Some overnight work or off-work hours may be required. All work will comply with construction noise requirements.
