

## Activity 1: Making a Plan to Get Involved

### OBJECTIVES

#### Participants will:

- Identify issues that matter to them
- Determine whether the city has responsibility for the issue
- Learn about opportunities to get involved in making change happen
- Make a plan to get involved

### AUDIENCE

- Age: Young adult learners (including High School students) or adult learners
- Political knowledge: Some prior knowledge helpful but not necessary
- Language: Intermediate/Advanced

### MATERIALS

- Make a plan to get involved worksheet

### INSTRUCTIONS

Participants will work through the Making a Plan worksheet individually. If time allows, participants will have 10-15 minutes to then share the issues that they care about and how they will get involved in small groups of 2-3.
