Pavement Markings & Signals

Bicycle
Indicates a bicycle route or lane

Bicycle with Arrow
Indicates the bike route direction is changing

Bicycle Pathway
Indicates an off-street cycling pathway

Shared Pathway
Indicates an off-street pathway shared by people walking and cycling

Special Reserved Lane
Indicates a reserved lane for the devices noted on associated signs or pavement markings. When combined with a bicycle, this symbol indicates a dedicated bicycle lane.

Crossbike (Elephant’s Feet)
Identifies a crossing where people biking do not need to dismount.

Green Paint
Highlights potential conflict areas with motor vehicles. Community used along protected bike lanes at intersections and driveways.

Bicycle Signal
A dedicated signal for people cycling.

Turning Left Using a Bike Box
1) Go straight through the intersection when the signal is green and wait in the turn box.
2) Proceed left across the intersection when the signal changes.

Bikes on Transit
Public transit can help you and your bike go further. You can take your bike on the bus, SkyTrain, SeaBus, and WestCoast Express. Electric and folding bikes are also allowed on most routes.

Bike Parkades
Bike Parkades are indoor bike parking facilities for registered Compass customers and are available in Vancouver at Main Street-Science World, King Edward, Commercial Broadway, and Joyce-Collingwood.
