Community member representation (5 seats) will be filled through an application process with preference given to a person who:

- is willing to abide by the Committee Terms of Reference and required time commitment
- is currently affiliated with multiple community organizations
- has experience representing their community on other committees/boards, etc.
- lives and/or works within a five-block radius of the housing site.

The BC Housing, Community Builders Group and the City will designate community members and representative alternates from the list of applicants.

Committee meetings will be managed by an independent facilitator.
