

Host Instructions

Neighbourhood Cleanup Party

1 Before the cleanup

- Set up a folding table (if you have one)
- Lay out the gloves according to size on the table (or the ground)
- Lay out the pickers behind you for volunteers to collect after they check in
- Review the Volunteer Cleanup Safety Checklist with your group before the cleanup starts
- Advise volunteers where they can use a washroom and handwashing facility

2 During the cleanup

- Ensure that volunteers keep their gloves on for the entire cleanup and follow safety protocols

3 After the cleanup

- Shake off excess sand and dirt from pickers. Put the pickers and any other leftover cleanup supplies back into supply bag
- Dispose of used gloves and tie up all garbage bags
- Fill out post cleanup report on our website

4 Garbage collection

- If you pre-arranged garbage collection, check your registration confirmation email for instructions
- If you did not pre-arrange for garbage collection, please dispose of all garbage in your residential, office, or business bins
