

## 2025 Gastown Pilot | June to September 2025

### Parking and Loading

 Water Street Pedestrian Zone Sundays 10am - 6pm (emergency vehicle access only)

- On Sundays between 10am to 6pm Water Street will become car-free (emergency vehicle access only) from Richards to Columbia Street.
- Local vehicle access for residents and businesses will be accessible through Cambie Street, Abbott Street, and the laneways.
- Parking will be removed starting at 9am on Sundays within the Pedestrian Zone.

 On-street parking:  
Approx. 300 spots total

 Off-street parking:  
Approx. 2800 spots total

 Loading zone

 Tour bus pick-up/drop-off

 Passenger zone

*\*Throughout the summer, staff will monitor these changes and make adjustments as needed.*

During the pilot, there will be traffic changes in the area. Parking and loading regulations will continue to be adjusted to meet the needs of local businesses and residents. Most street parking in the area will be retained, including regular access to all public parkades.

EasyPark lot 31 located Between Cambie and Abbott Streets will only be accessible through westbound access on Cordova Street.

### Cordova Street Rush Hour Regulations Monday to Friday from 3pm to 7pm

During rush hour, south side curb uses will be restricted along Cordova Street, between Richards Street and Main Street, will become a second eastbound vehicle travel lane.
