PROGRAM GUIDE

920 EAST HASTINGS STREET
VANCOUVER, BC

We're grateful to come together on the traditional, ancestral and unceded territories of the x̱wməθkʷə́yəm (Musqueam), Sk̓wx̓wú7mesh (Squamish), and səlilwətał (Tsleil-Waututh) Nations.

ABOUT RAYCAM

RayCam Cooperative Centre is located in the Downtown Eastside/Strathcona/Hastings Corridor of the inner city of Vancouver.

RayCam opened its doors in 1976 through the effort of area residents, the City of Vancouver and CMHC. The Centre provides a wide range of services and outreach programs for community residents.

We are jointly operated by two Associations with volunteer Boards of Directors who live in the community. The Board works in partnership with The City of Vancouver, The Vancouver Board of Parks and Recreation and The British Columbia Housing Management Commission.

RayCam Cooperative Centre is a centre for the young and old, providing recreational and social activities where new skills can be learned. We provide youth, family and mutual support services and we operate a Licensed Daycare for 3 to 5 year old children and Licensed Out Of School Care for school aged children. We are a place where old friends meet and where new friends are made. We have a full sized gym, a games room, after school programs, evening programs, a senior's lounge and family programs.

Through strategies and partnerships RayCam builds capacity and provides a place for community to come together ensuring community voices are heard.
