

FLEXIBLE PLASTICS

Flexible Plastics are soft, lightweight and easy to crumple or fold. Please put them in the pink cart, not in the blue cart or garbage.

ACCEPTED

Plastic Bags, Outer Bags and Overwrap

Crinkly Wrappers and Bags

Flexible Packaging with Plastic Seal

Zipper-lock and Stand-up Pouches

Woven Plastic Bags

Protective and Squishy Cushion Packaging

HOW IT WORKS

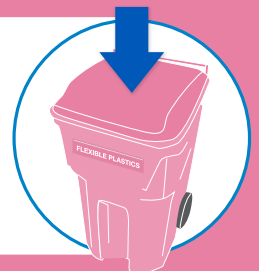

1

Reuse bread or produce bags to bundle your Flexible Plastics. When the bag is full, squeeze out the air and tie closed with a knot.

2

Take the bag to your buildings recycling room and put it in the pink cart.
