

Active Mobility Plan - Sidewalk Priorities 2023-2027

— Sidewalk Priorities - 13 km

Detailed alignment and timing subject to change.
Furthermore, some sidewalks outside of this analysis will
be constructed as opportunities arise.

*The criteria used to identify the sidewalk priorities are:
road network type, number of sides of the street missing
sidewalks, network connectivity, and Active Mobility Plan -
Walking Priority Areas 2023-2027.*
