Dear resident and/or business owner,

RE: Smithe Street Upgrades - Final Paving

The City is finalizing infrastructure upgrades along Smithe Street, from Homer to Beatty Street.

City crews are preparing to complete paving on Saturday May 5th beginning at 4:00 am. While we will make every effort to minimize impacts on your daily routines, this work will involve the use of heavy construction equipment and some noise is expected.

We apologize for any inconvenience and thank you in advance for your cooperation and patience during these critical infrastructure upgrades. Should you have any concerns during construction, please feel free to discuss with Raul Armendariz, the Project Coordinator at [604-347-8580](tel:604-347-8580).

Additional project information is available at vancouver.ca/smitheupgrades.

Sincerely,

Shaileen Ebrahim
Project Manager
City of Vancouver Engineering Services
