

Streamlining Rental

Next Steps

Following the current opportunity for public input, staff will analyze and summarize the findings along with all public feedback received in the previous rounds of engagement. A preliminary summary and update to Council is anticipated for late July 2021 as part of the Vancouver Plan Quick Start Action report. Following that, a complete report back with recommendations on the proposed changes to implement the Secured Rental Policy will be presented for Council’s consideration in early fall 2021.
