

INTRODUCTION

- Please refer to the [Summer Curbside Patio Design Guidelines](#) to help you plan and design a summer curbside patio that meets City requirements.
- Please contact patios@vancouver.ca for questions or if you are unable to meet these requirements.

Please complete this form if you are **renewing a summer curbside patio permit without making modifications** to meet accessibility and design requirements this year.

Complete [Declaration Form A](#) instead if you are:

- New application for a summer curbside patio permit; or
- Renewing and making modifications to meet accessibility and design requirements this year.

DECLARATION AND SIGNATURE

- ☐ I hereby certify that the information entered above is true and accurate.
- ☐ I must follow my approved drawing with detailed instructions.
- ☐ If located on a street with trolley buses, I have reviewed and followed TransLink's Trolley Overhead Limits of Approach.
- ☐ I understand I have until the 2028 patio season to meet the new accessibility and design requirements.
- ☐ My patio must be designed to be completely removed within 24 hours' notice.
- ☐ I understand the City may inspect my patio for safety and I will resolve any identified safety issues within the timeframe specified.
