## LEGEND

### 30 mins Parking (School Days)

For longer school visits please park your vehicle in this zone for no more than 30 minutes.

### 3 mins Parking (School Days)

These spots are for quick pick-ups and drop-offs. Park and collect your child quickly to create a spot for another vehicle.

### No Stopping (School Days)

Vehicles cannot stop in a No Stopping zone for any reason, or any length of time. This gives emergency vehicles somewhere to park.

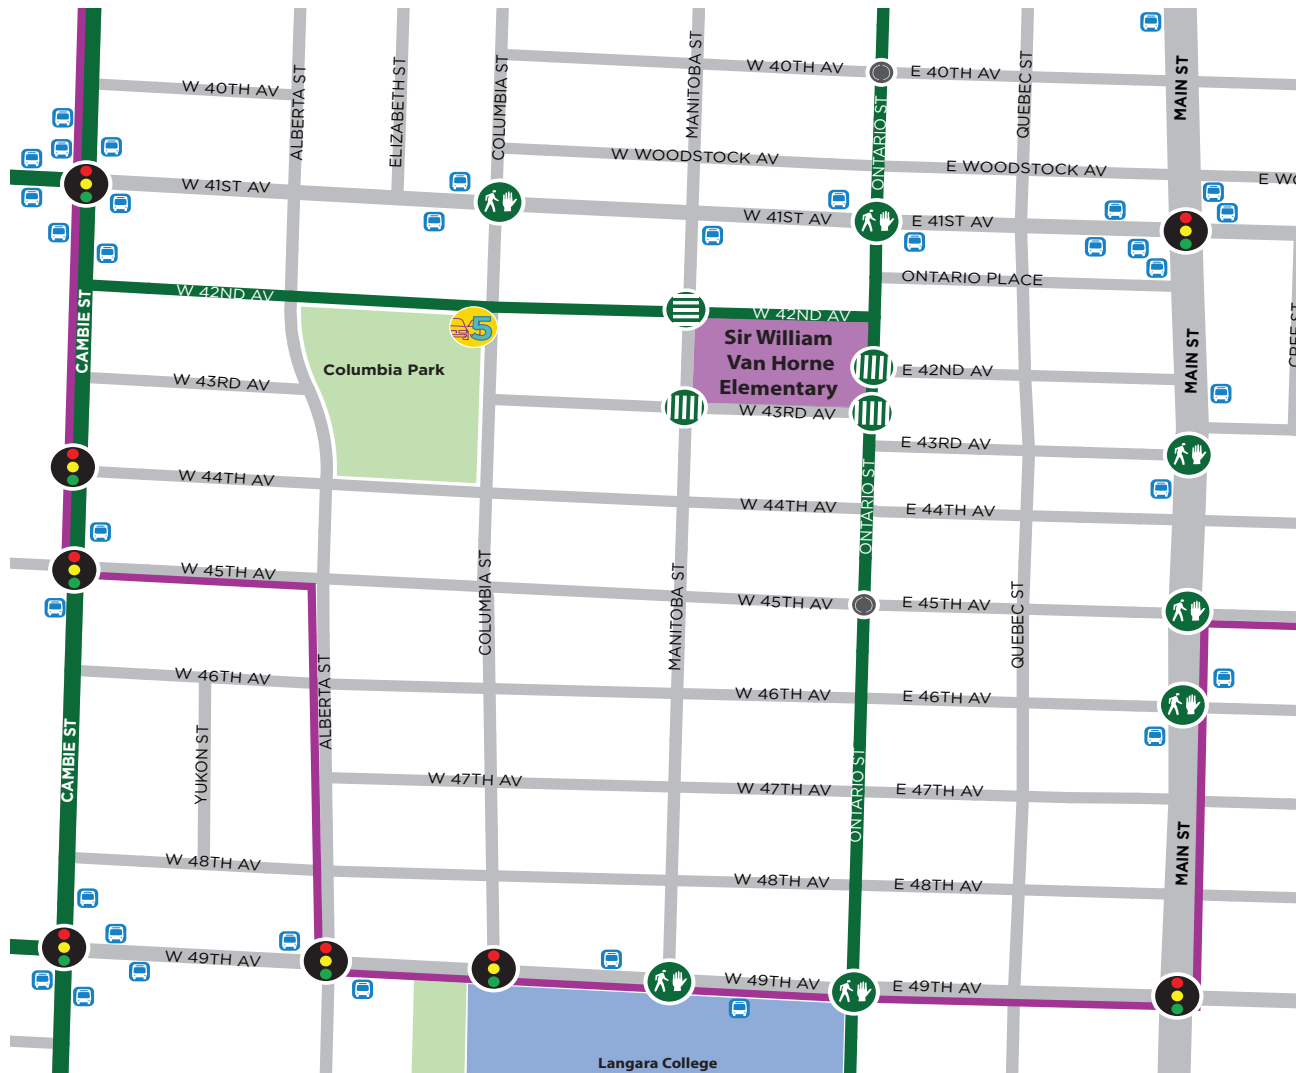

### School Drop Off/Pick Up Zone

## Support Active Transportation

Keep the area around your school a safe place to walk, cycle and roll by following the posted signs. If you are driving, consider the “Drive to Five” initiative. Park five minutes away and walk to school. It is an activeway to start and end the day.

## Safety Tips

Safe places to cross a street are at street corners with a stop sign, traffic or pedestrian signals, or at a marked crosswalk. Avoid midblock crossings. Use sidewalks and paved routes for more comfortable and safer travel.

**Always make eye contact** with others before crossing the street.

**Drive to 5** - Sites should be located on common routes with lower traffic volumes and speeds with supportive active travel infrastructure and aids. Alternative site selections should consider the school's access points, accessibility, and locations where parking is permitted.
