

VANCOUVER BOARD OF PARKS AND RECREATION

Updated COVID-19 Guidelines - Fraserview-McCleery-Langara July 23, 2020

Golf guidelines

In order to continue to keep everyone safe, we have a set of strict guidelines for access to the three golf courses. Anyone not adhering to these guidelines will be asked to leave our property immediately.

- If you are experiencing flu like symptoms such as coughing, fever, or difficulty breathing, we ask that you **STAY HOME**. We reserve the right to refuse entry into our facilities to anyone displaying symptoms.
- Physical distancing requirements of 2 metres are mandatory for everyone on the property (staff and guests). This includes before your round, in the clubhouse, at the driving ranges, and while on the golf course.
- A maximum of 4 customers per table in the dining area or on the patio. Do not join tables.
- Golfers are asked to arrive **NO MORE THAN 20 MINUTES** prior to their tee time and to leave the facility immediately after their round. Absolutely no drinking and socializing in the parking lot after your round. We encourage you to be proactive and responsible for bringing your own hand sanitizer, water, or other personal items for use while golfing.
- If you have a general inquiry for the Pro shop staff, please call in your request from your vehicle. Do not enter the Pro shop lineup queue unless you are purchasing range tokens, merchandise, or paying your green fees.
- All Golf Shops will be cashless. Only debit/credit transactions will be accepted and terminals will be sanitized between customers.
- Only **TWO** patrons will be allowed in each Golf Shop at a time.
- A Golf Starter will be stationed outside the Golf Shop to direct guest entry, start groups off the first tee, and to enforce physical distancing.
- Please follow all signage and **RESPECT** the guidance of our staff. Following all instructions will ensure a safe and enjoyable experience for all of our staff and guests.
- A single-rider cart system is in place. Shared carts are available with reasonable proof of shared household and/or family bubble. Carts will be cleaned and sanitized for every user. Carts must be dropped off in the designated area after use.

- Pull carts are available and will be cleaned and sanitized for every user.
- All frequent touch points such as bunker rakes, garbage can lids, sand bottles, ball washers, and shoe blowers have been removed.
- Play preferred lies in sand traps and smooth sand with your foot before exiting the bunker.
- Flag sticks are NOT to be touched. Cup fillers will keep the ball from going to the bottom of the hole. We encourage continuous putting and 2' gimmies to all golfers.
- DO NOT touch your playing partners. No high fives, fist bumps or handshakes. No sharing of equipment, food, or beverages.
- Physical distancing while walking down the fairway, searching for lost balls, and on the greens is mandatory.

These rules are in place for everyone's safety. We must all contribute to ensure we remain safe and can continue to enjoy our golf courses this summer.

Thank you for your compliance.
