

Vancouver Parks Golf 2026 Important Updates

On October 20, 2025, the Vancouver Park Board approved the [Golf Services Review](#) to improve service delivery of our municipal championship and pitch & putt golf courses over the next 10+ years.

As a result, we are making adjustments to some of our policies and programs. Please be aware of the following changes:

Preferred Player Loyalty Program - Effective January 1, 2026

With golf demand at record levels, we are also making adjustments to the Preferred Player Loyalty Program to ensure it remains fair and accessible for all players.

- The program will continue to reward regular play, with discounts offered at each milestone level.
- Beginning in 2026, the program will no longer include a winter golf level. Instead, the program will repeat continuously after 50 points, so golfers can keep earning rewards all season long.

This change allows us to keep the program sustainable and fair, while continuing to reward our most loyal golfers.

Levels	Rewards
1	Earn 10 points and get your next round at 50% off
2	Earn 15 points and get your next round at 75% off
3	Earn 25 points and get your next round free
4	Earn 35 points and get your next round at 75% off
5	Earn 50 points and get your next round free

Tee Time Booking

To make tee time bookings more fair, accessible for all golfers, we are introducing new booking policies for the 2026 golf season.

[Survey feedback](#) identified the booking experience as a key area for improvement, and these changes will give more golfers the opportunity to secure tee times.

Tee Time Booking Limit - Effective April 1, 2026

- Each golfer may book only one tee time per day across all VPG courses.

Advance Booking Fees - Effective April 1, 2026

- \$5 (tax included) per golfer for bookings made six to 14 days in advance.
- \$10 (tax included) per golfer for bookings made 15 to 30 days in advance.
- No fee for bookings made five days or less in advance.
- Advance booking fees are non-refundable and non-transferable, with limited flexibility available for rebooking in extenuating circumstances.

Cancellation Policy - Effective April 1, 2026

- Cancellations or modifications must be made at least 12 hours before tee time to avoid penalty.
- No-shows or late cancellations may be charged a \$25 fee per player.

Singles Booking Policy - Effective April 1, 2026

- Single golfers will be able to book online by joining existing twosomes or threesomes.
- If the original group cancels the single will be moved to the closest available tee time and notified.
- If the original group does not show, the single will be placed on the priority waitlist for the next available time.
- Singles will not be booked alone.

The booking policy changes above are aimed at both reducing tee sheet access to third-party bookers, and also to improving equity and accessibility to the tee sheet for all golfers. In addition, the golfer who books the tee time will be required to play in the tee time.

Booking Accountability Policy - Effective April 1, 2026

- The golfer who books a tee time will be required to play in that tee time.
- Photo ID and/or a Preferred Player Loyalty Card will be requested at check-in to confirm the booking.
- If the golfer who made the booking is not part of the group, their profile will be suspended.

Thank you for your understanding as we implement these changes to improve the golf experience for everyone. We recognize that adjusting to new policies takes time, and we appreciate your patience as we work together to create a more fair and accessible booking system. We look forward to welcoming you back to our courses for another great year of golf in Vancouver.
