## THEY DO NOT CHILL US SO

by Jacqueline Murray, Little Flower Academy

As the seasons change, the winds grow cold  
They sweep through empty fields  
Through arms and coats of those stood silent  
In silence, the mind reels

Though seasons change and winds grow cold  
They do not chill us so  
The warmth of our thoughts, a burning hearth  
Remembering those lost long ago

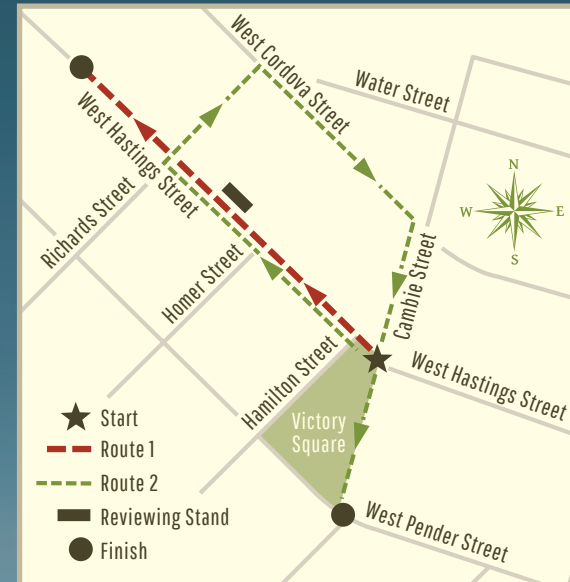

The red of flowers, the red of fire  
Of blood and gore and veins  
Friends and fighters fought to fend  
These lakes, mountains and plains

Though bodies lie in empty fields  
Under crosses gone unnamed  
Their souls fly high with those they loved  
As we here, still remain

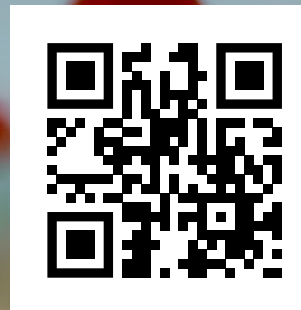

Their freedom that they passed to us  
Their memory we surround  
Their death brought peace to land on earth  
As poppies bloom all 'round

# O CANADA

Composed by Calixa Lavallée

O Canada, our home and native land  
True patriot love in all of us command.

With glowing hearts we see thee rise,  
The True North strong and free!

From far and wide, O Canada,  
We stand on guard for thee.

God keep our land glorious and free!

O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

# IN FLANDERS FIELDS

By Lt. Col. John McCrae

In Flanders fields the poppies blow  
Between the crosses, row on row,  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.

We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie  
In Flanders fields.

Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch; be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders fields.
