

Community Builders Group

You are invited to apply for the role of **Community Representative** on the Álewem Community Advisory Committee for the Temporary Modular Housing located at 1580 and 1582 Vernon Drive

The purpose of the Álewem Community Advisory Committee is to:

- Build and maintain positive relationships amongst the community, the building operators and the housing program partners
- Facilitate information sharing and dialogue
- Support the identification and resolution of issues, opportunities and concerns related to building operations

Committee meetings will be managed by an independent facilitator. In order for the CAC to be effective, it is important to limit overall committee size while maintaining a balance of voices at the table. CAC membership will be comprised of approximately 12 individuals representing the following groups:

- 5x community members (e.g. neighbouring residents, community organizations, businesses)
- 1x resident from Álewem TMH (as appropriate)
- 2x CBG representatives (operator)
- 1x City of Vancouver representative
- 1x BC Housing representative
- 1x Vancouver Coastal Health representative
- 1x VPD representative

Community representation (5 seats) will be filled through an application process with preference given to a person who:

- is willing to abide by the Committee Terms of Reference and required time commitment
- is currently affiliated with multiple community organizations
- has experience representing their community on other committees/boards/etc.
- lives and/or works within a five-block radius of the housing site

BC Housing, CBG and the City will designate community members and representative alternates from the list of applicants who meet this criteria.

The DRAFT Terms of Reference is available to view [here](#). All Committee members will be required to sign the Terms of Reference at the first meeting to confirm their participation.
