

## **Vancouver Fire Rescue Services**

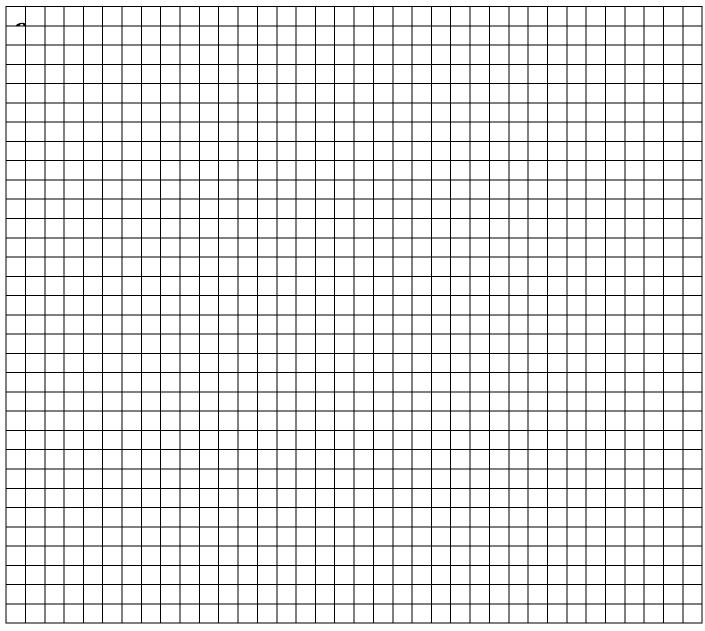

## My Family's Escape Plan

#### **Emergency Call 911**

#### My Address is:

- O Use the grid to draw a floor plan of every level of your home
- o Decide 2 ways out of every room and mark them clearly
- o Pick a meeting place (a tree, lamp post, or fence)
- o Post your escape plan where everyone can see it
- o Have regular family drill to practice

# TRACUE SERVICE

### **Vancouver Fire Rescue Services**

When the fire alarm goes off, remember these important steps!

- 1. Don't panic or hide
- 2. Roll or climb off the bed
- 3. Crawl to the door
- 4. Feel the door, starting at the bottom
- 5. If it is not hot, use escape route 1
- 6. If it is hot, use escape route 2
- 7. Do NOT go back in for anything!
- 8. Meet at the special meeting spot out front
- 9. Do a head count
- 10. Call 911

- ✓ Always sleep with your bedroom door closed
- ✓ Check your smoke and CO alarms once a month
- ✓ Change smoke and CO alarm batteries 2x per year

IN CASE OF EMERGENCY
