Approval of Minutes

Minutes of the meeting held on March 11, 2019, to be approved.

1. Business Arising from the Minutes 11:10 - 11:15 am

2. Character Home Zoning Review - Update 11:15 - 11:45 am

Following the Character Home Zoning Review, on October 3, 2017, Vancouver City Council approved optional zoning incentives to support the retention of character homes and to add new housing choices to all RS zones. Staff will be updating Council on the incentives program in late Spring and would like to take this opportunity to update the Vancouver Heritage Commission.

Staff: Marie Linehan, Senior Development Planner, City of Vancouver

3. Heritage Conservation 101 - Workshop 11:45 – 12:45 pm

The Heritage Commission has requested training on the Standards and Guidelines to be periodically made available, primarily for the benefit of new Commissioners but also as a refresher for all. This session is the first of a few and it is intended to be a foundation for more specific heritage conservation related discussions in the near future. Please feel free to review the content of the material that will be covered by accessing the link below. As it is envisioned that the training would actually be more of a workshop, Commissioners are encouraged to share their insights and actively engage.
