800 Robson Plaza - Feedback Needed!

Earlier this year, Council voted to create a permanent public plaza at 800 Robson street. We want your feedback about how you would like to use the space, what it should look like, the kinds of activities you would like to see, and more. Share your ideas on twitter, by email at vivarobson@vancouver.ca or by filling out the online questionnaire at <http://vancouver.ca/vivarobson>

Jim Deva Plaza in Action

The plaza opening celebration on July 28th was a lively affair! Thank you to all who participated and a special thanks to everyone who showed up to make the launch an extra-special day.

You may already have seen a number of events taking place in the plaza including Games Night hosted by Gordon Neighbourhood House, the WE Arts Market, Volume Studio's cut-a-thon, and more. In the coming months, a drinking fountain and permanent overhead lighting will be installed in the plaza.
