

Villages

- Improve commercial viability
- Limit opportunities for new residential
- Widen sidewalks and improve the public realm
- Maintain lower building heights

Neighbourhoods

- Affirm current height limits and tower separation requirements
- Enhance the lanes as more walkable, green connections
- Allow for 100% rental laneway housing between 3-6 storeys
- Improve access to on-street visitor/short-term parking

Corridors

- Increase opportunities for new job space, rental housing, and social housing close to transit, services and amenities
- Strengthen Alberni (Burrard to Bute) as an emerging retail district

West Loop

- Establish the West Loop as a place for people to shop, work, and play
