

Winona Park Playground Replacement

What's Happening:

The Vancouver Park Board is replacing the playground in Winona Park. The new playground will be located on the south side of the fieldhouse and will include: swings, climbing structure with slide, spinning net, trampoline, rubberized mound with climbing ropes, and sand play. The replacement will also include benches and picnic tables, bike racks, shade trees and replacement of the drinking fountain.

Construction will take place in summer 2019.
