

King Edward Ave Complete Street Improvements Final Design at Yukon Street Bikeway

What's Changing?

- A** Protected bike lane and widened sidewalk between laneway west of Yukon Street to the east side of Yukon Street
- B** Bike and pedestrian access through boulevard
- C** New turn restrictions for the north side of Yukon Street. Right turn only north onto Yukon Street or west onto King Edward Avenue
- D** Vehicle traffic will change the south side of Yukon Street to one-way northbound between the lane and King Edward Avenue
- E** Uni-directional protected bike lane and widened sidewalks between Yukon Street and Columbia Street
- F** Future uni-directional protected bike lane and widened sidewalks
