

Zero Waste Place Secondary

*FREE program for
Grades 8-12
in Vancouver*

- NEW this year!
- Ideal for classrooms or clubs
- 4 in-person workshops
- Grades 8 to 12
- Additional teacher resources included

Zero Waste Place Secondary is an interactive program designed to teach students how to **take action** in their daily lives at home, at school and in their communities.

Students will learn why waste can be such a problem and how our behaviours and actions can **reduce waste** and **protect the environment**.
