C-2C

District Schedule

1 INTENT AND OVERVIEW

1.1 Intent

The intent of this schedule is to provide for a wide range of goods and services, to maintain commercial uses that require central locations to serve larger neighbourhoods, districts or communities, and to encourage creation of a pedestrian-oriented district shopping area by allowing more residential floor area and limiting the floor area for office uses. In addition, this schedule encourages mixed-use residential buildings that contain secure rental housing by including provisions for residential rental tenure buildings.

Without limitation, applicable Council policies and guidelines for consideration include the [C-2B](#), [C-2C](#) and [C-2C1 Guidelines](#), [C-2C Broadway and Commercial Drive](#), [Brewery Creek IC-3](#), [C-3A](#), [C-2C](#) and [RM-4/4N Guidelines](#) and [C-2](#), [C-2B](#), [C-2C](#), and [C-2C1 Guidelines for Residential Rental Tenure Buildings](#).

1.2 Overview

The table below provides an overview of outright and conditional approval uses in the C-2C district, categorized by the minimum site area required, where applicable. Applicable density, form and placement regulations in section 3 of this schedule are cross-referenced in the third column.

2 USE REGULATIONS

2.1 Outright and Conditional Approval Uses

All outright and conditional approval uses are subject to all other provisions of this by-law, including [Section 2](#), [Section 10](#) and [Section 11](#), and compliance with the regulations of this schedule including section [2.2](#).

The uses identified in the table below as outright approval uses are permitted in this district and will be issued a permit.

The uses identified in the table below as conditional approval uses may be approved in this district by the Director of Planning or Development Permit Board, with or without conditions, if the Director of Planning or Development Permit Board considers:

- (a) the intent of this schedule and all applicable Council policies and guidelines; and
- (b) the submission of any advisory group, property owner or tenant; and
- (c) the amount of open space, including plazas, and landscaping being provided and the impact of the development on the character of the community.

Uses are listed under their general land use category. Applicable use-specific regulations in section 2.2 of this schedule are cross-referenced in the third column. Cross-references to applicable use-specific regulations are provided for information purposes only and do not form part of this by-law.
