

A bride and groom are walking across a bamboo bridge in a lush conservatory. The bride is wearing a white dress and holding a bouquet, and the groom is wearing a suit. The bridge is made of bamboo poles and is surrounded by dense tropical foliage, including large green leaves and palm trees. The scene is brightly lit, suggesting a sunny day.

## EVENT CAPACITY + ADMISSION

Due to the narrow pathways, there is a designated space for events located near the Banyan Tree, that can accommodate the maximum capacity of 50 people, as indicated on the provided [floor plan](#).

Separate rates apply for commercial special events (such as concerts, live streaming, public events), commercial photography and filming. Please inquire for pricing and additional details related to special events. The Conservatory can accommodate special events up to a maximum of 150 people.

Morning bookings are a maximum of 2 hours. No food and/or beverage permitted.

2027 Bookings - The 2026 rates can be retained if the outstanding balance is received by December 4, 2026.

## ADDITIONAL RENTAL DETAILS

**Booking Confirmation** - A minimum of two weeks' (10 business days) advance notice is required. Bookings confirmed with less than two weeks' notice will incur an additional last-minute booking fee. A non-refundable reservation fee of \$350 is required at the time of booking to secure your reservation. Full payment is then due two months prior to your scheduled booking date. Cancellations made within 60 days of the scheduled booking date will not be eligible for a refund.

**Decor / Set Up & Take Down** - Please note that renters are responsible for set up and take down within their booking time frame, and all items must be delivered/picked up within the rental time; nothing can be dropped off early or left overnight. All items must be freestanding. The use of candles, fireworks, mist, fog or foam machines, sparklers, SPFX, confetti, glitter, real or artificial floral petals, rice, balloons, or bubbles are not permitted inside or outside the Conservatory.

**Drone / Smoking / Animal Policy** - Drone photography/videography is not permitted inside or outside the facility. Please ensure that your photographer/videographer is aware prior to your event. Smoking or vaping is strictly prohibited on or near the premises. Pets are not permitted inside the facility. Working guide and service dogs are welcome.

**Food/Beverage** - No food and/or beverage is permitted inside or outside the facility. Bottled water is acceptable, provided all bottles are disposed of in recycling bins or removed from the premises prior to the conclusion of the event. It is also strictly prohibited to store food or beverages inside the facility for later use elsewhere. If you are interested in hosting an event that can include a reception or catering, we invite you to inquire about our alternative venue within the park, the Celebration Pavilion.

**Music/Entandem Fee** - An Entandem fee is required if live or pre-recorded music is played. This is a music royalty tariff for all rentals with music; pricing to be determined dependent on rental group size, type of music, activity; with/without dancing. For the safety of the birds, amplified music cannot exceed 45 decibels within the Conservatory. A sound system is available for use upon request.

**Liability Insurance** - All events require liability insurance with the "City of Vancouver and its Board of Parks & Recreation" named as additional insured. \$2 million in liability coverage is required. The certificate is due a minimum of 15 business days prior to the event.

**Photography** - Photography can only take place along the paved pathways. It is strictly prohibited to enter plant beds or enter the areas of the perched birds or to handle the birds in any way. Due to low lighting in the evening, we highly recommend photography with lighting. However, photography with strobe or strong flashing lights are not permitted as it is harmful to the birds.

**Seating** - The facility is primarily a standing room only venue. Seating is not provided on site. If seating is required, a maximum of ten (10) chairs may be brought in for use in the designated event space by the Banyan Tree. It is mandatory to maintain a minimum clear walkway of 1.52 meters (5 feet) around any seating arrangement for emergency access. If you are planning to bring in chairs, please notify the rentals department in advance.

**Staffing** - Depending on the logistics and size of the event, additional liaison staffing fees of \$52.50/hour+GST (minimum 4-hour call out) or Security fees of \$42/hour+GST (minimum 4-hour call out) may be required.

**Waste management** - Waste must be appropriately sorted into the designated 4-stream receptacles (garbage, mixed containers, mixed plastic, and organics) located on site. The Renter is responsible for ensuring all debris, including small items such as zap straps, tape, string, or ribbon, is removed from the premises and placed in appropriate disposal bins at the conclusion of the event.

**Wi-Fi** - The facility has free Wi-Fi accessibility, however as it is a public network, there is no guarantee that the signal will be strong enough for video conferencing style events. It can be accessed on the VanWiFi network and no password is required.
