

BLOCKWATCH

Safer Communities, One Block at a Time

VANCOUVER POLICE WEEKLY CRIME STATS MAY 19th to 25th, 2010

Block Watch is a free community-based crime prevention program administered by the Vancouver Police. It's about neighbours helping neighbours. Households, apartments or condominiums on a block form a communication chain aided by a map of neighbours' addresses and contact information. Participants watch out for each others' homes and are trained to target harden their homes and identify and report suspicious activities to police and each other. This timely communication system is effective in reducing the likelihood of residential crime.

This publication is sent weekly by e-mail to active Block Watch teams to support their crime prevention efforts.

The statistical data used for this publication is gathered from the Police Records Information Management Environment (PRIME) and represents only crime reported to the Vancouver Police Department.

Due to a possible lag time in the data, it is possible that a very small number of offences could be absent.
