#### 4. VPD Report #1121: Staffing for 2011 Stanley Cup playoffs

Insp. Rick McKenna presented a report regarding the deployment plan for Stanley Cup playoff "celebrations". The intent of the report was to make the Board and City Council (as

fundes of the Department) aware of the potential budget threat. The report numbers were more modest than reported in previous years as the Department had noted a decrease in momentum and a spreading out of the celebrations over the entire Lower Mainland in the past few years. However, there was an increased risk of impromptu gatherings given the proliferation of using social media to organize spontaneous celebrations. The Department monitored open-source social media sites to try to estimate crowd size for impromptu events but this was extremely unreliable. Discussion. Question around the usual summertime Granville Entertainment District street closure.

MOVED/SECONDED:

THAT the Vancouver Police Board receive Board Report #1121 *Estimate of Staffing for the 2011 Stanley Cup Playoffs* and approve to forward to City Council.
