11 C (Unintelligible)

12 CT Vancouver police.

13 C Hello, my name is, uh, ²²⁽¹⁾, I'm with the Canadian Coast Guard, how are
14 you doing?

15 CT Good thanks, how are you?

16 C Good, good. Uh, so we just had, we just had some, uh, reports from, uh, the
17 marine side about an oil spill in Vancouver, it's around English Bay. I was just
18 wondering if you guys have had any reports of oil on the beach or anything,
19 specifically around Kitsilano or anywhere on Second Beach or, uh, Stanley Park?

20 CT Uh, give me one sec, I'll go, uh, I'll go speak with my dispatcher. It doesn't, I
21 don't see any calls up, but I don't know if they've heard anything. Just give me
22 one sec here, okay, just to...

23 C Thanks.

24 **Long pause (ends 00:02:06 wav file)**

25 CT Hey, ²²⁽¹⁾ I'm, uh, waiting for the Kits dispatcher to, uh, message me back. The
26 District 1, like, uh, the, uh, Stanley Park area, she was calling a Mounted Squad
27 just to verify, so if you just wanna keep holding for a sec, that'd be cool.

28 C Yeah, standing by.

29 CT Thanks.

30 **Short pause**

31 CT Uh, as far as we know, nothing in both those.

32 C Okay. Can I just leave you my, uh, name and phone number?

33 CT Sure.

34 C It's, uh, ²²⁽¹⁾

35 CT Yeah.

1 C ²²⁽¹⁾ [REDACTED]. And it's 604...

2 CT Yeah.

3 C ... ²²⁽¹⁾ [REDACTED]

4 CT Okay. And you just wanna be notified if any calls come in?

5 C Yeah, calls regarding, uh, uh, an oil spill or the smell of oil, basically, along the
6 shoreline. If any of your officers are near the, uh, shoreline, it'd be nice to see if
7 they did smell anything around, you know, Stanley Park or, again, Kitsilano.

8 CT Okay. Sounds good.

9 C All right.

10 CT Thank you. 'Kay, bye.

11 **End of call.**
